Recently I visited Haryana State Archives, Chandigarh, to consult some records. There is lot of material relating to 1857 in Haryana State Archives in Persian and Urdu but they do not have any person having the knowledge of Persian and Urdu. If they appoint one Persian and Urdu knowing Asstt. Archivist, so I can supervise the project. We can prepare a calendar of Persian and Urdu documents relating to 1857 available in Haryana State Archives. I am submitting it for your kind consideration and recommendation. I shall be grateful to you.

Dear Sir,

Workshop on Digital Preservation in India

7th November 2008, FICCI, New Delhi

I am pleased to inform you that *Department of Information Technology, Ministry of Communications and Information Technology, Government of India* in association with *Federation of Indian Chambers of Commerce and Industry (FICCI)* is organizing a *Workshop on Digital Preservation in India* on 7th November 2008 at *FICCI, Federation House, Tansen Marg, New Delhi-110001*

With the wide-scale adoption of the Internet and the rise of the World Wide Web, the world has been overwhelmed by digital information. Individuals and institutions are producing digital data on a massive scale: some of it is born, lives and dies only in digital form. Digital preservation is emerging as a trustworthy solution ensuring long-term access to the information.

While large-scale projects have been initiated across the world in the area of Digital Preservation, much work needs to be done in India. At the same time the requirements in India are different from the requirements in developed regions of the world.

The objective of this workshop is to bring together all stakeholders to a common platform to understand the activities undertaken by various bodies in this area and to develop a national stand to promote, educate and encourage digital preservation further. *The proposed program is attached for your perusal.*

In view of the importance of the event, *I have great pleasure in inviting you to participate in the workshop.* In case you are pre-occupied you may please nominate senior representatives of your organization to participate in the workshop.

The oldest document displayed in the exhibition dates back to 1852 having information regarding the survey of the Irrigation System was done and found that the water supply was regulated at a place near Chandigarh just below the junction of the Ghaggar and Kauyshalya streams.

Another document of 1854 shows that the Deputy Commissioner, Ambala had constructed a road between Chandigarh and Mansa Devi Temple. A list of Jewels of last Mughal Emperor Bahadur Shah Jaffar has also been displayed.

A letter issued from the Deputy Commissioner, Ambala asking Commanding Officer to issue order that Natives to salute all Europeans in Ambala Cantonment. Another Circular of 1858 directing that no Temple or Mosque shall be built up within the enclosure of Court Houses has also been displayed.

Exhibits contain a map showing the position of the Tehsil and Village Schools in the Ambala District and plan of Thanesar Solar Eclipse Fair. Lightening caused damage to Qutub Minar on 24th March, 1867 can also be seen in the exhibition. Another document of 1873 shows that the Deputy Commissioner, Ambala had submitted a scheme for the improvement of Ambala City.

Dr. Rajwanti Mann, Deputy Director, Archives Department told that these documents are an iota of literacy and historical heritage preserved in the Department.

An important document of 1942 bears the names of Persons for whom the British Government termed them as "Dangerous Political Agitators". This list contains the name of Ch. 15th October, 2008

As you may be aware, the Indian National Trust for Art and Cultural Heritage (INTACH) was set-up in 1984 primarily with the mandate to undertake the work of preservation of the cultural, natural heritage of India. Towards this task, INTACH has undertaken various activities including promotion of conservation skills required in the restoration and protection of monuments.

It has been observed by INTACH that there are several properties which, by their antiquity and age, have become heritage properties and are managed by the State Public Works Department. It is very necessary to not only identify such government buildings but also to restore and maintain them keeping in view the conservation practices. These buildings could be guest houses, Collector's office and residences, public libraries, public offices and so on.

To achieve this objective of restoration and conservation, it is necessary that the State P.W.D's have a Heritage Cell within their Organization. This Cell should be manned by people who are professionals in conservation and restoration. INTACH would seriously urge the State Government to set-up such a Cell as soon as possible under the control of the State Government.

I hope you take an initiative in this regard. INTACH will be happy to render whatever assistance is required in this regard.

With best wishes,

Yours sincerely,

**Proceedings of the meeting held on 16th December, 2008 at 4.00 PM
under the Chairmanship of Chief Secretary, Haryana in the Committee
Room, 4th floor, Haryana Civil Secretariat**

1. A meeting was held under the Chairmanship of Chief Secretary, Haryana on 16th December, 2008 at 4.00 PM regarding steps to be taken for preservation, restoration and protection of heritage monuments and other historical building in the State. List of the officers who attended the meeting is attached.
2. After detailed discussions, the following decisions were taken:-
 - a. The Department of Archaeology & Museums, Haryana would request INTACH to supply them a list of 2,000 historical monuments / heritage buildings identified in Haryana by it. It was decided to get a list of all the historical / heritage monuments / buildings documented by the American Institute of Indian Studies, Gurgaon. The Department would also prepare a list of such buildings under their charge. Photographs of all such sites should also be taken.
 - b. The Department should scrutinize all these lists and prepare a list, in order of priority, of the heritage monuments and buildings, which require repairs, preservation and conservation, as per their historical importance and heritage value. The CS desired that Department should initially take up at least 10-15 buildings / monuments for restoration / preservation / conservation purposes on priority. Experts may be associated for this purpose. Photography and videography of all these monuments should be got done. Thereafter, an action plan may be drawn for preparing estimates and actual implementation for the restoration / preservation of buildings.
 - c. It was also felt that there is an urgent need to develop expertise in the departments such as Archaeology & Museums Department,

PWD(B&R), Architecture Department, municipal committees and Tourism Corporation, in respect of restoration and preservation of the heritage and historical buildings. Action for identification of the personnel from these departments should be initiated at the earliest. Initially a few persons working these departments should be identified and given training with help of concerned departments /organizations such as ASI, INTACH or any other such NGO/organization, who have the requisite expertise and training facilities. The basic idea of this training is to develop core technical manpower with skills required for preservation / restoration of historical buildings.

- d. It was also decided to empanel NGOs, organizations, contractors, experts etc. who have expertise in the field of restoration / preservation of heritage / historical buildings so that the Department could get the action plan and estimates prepared and get the same executed. The empanelment could be done by inviting offers through press advertisement.
- e. An Advisory Committee should be constituted by taking experts from Archaeology & Museums Department, Architecture, PWD(B&R), Archeological Survey of India, universities, prominent archaeologists, historians, architects having knowledge of historical buildings, etc. etc. for the preservation / restoration of the heritage and historical buildings. The Committee could be headed by Secretary, Archaeology & Museums Department. The committee would inter-alia look at various issues related to the preservation / restoration of the heritage and historical buildings, prepare action plan for the same and monitor its implementation.

The meeting ended with the vote of thanks to the Chair.

**AGENDA NOTE FOR THE MEETING TO BE HELD ON 16-12-08 AT 4.00 PM
UNDER THE CHAIRMANSHIP OF CHIEF SECRETARY, HARYANA.**

.....

A letter dated 15-10-08 of Sh. Yogendra Narain, Member Secretary, Indian National Trust for Art & Cultural, Heritage, addressed to the Chief Secretary, Govt. of Haryana in which he stated that "The Indian National Trust for Art & Cultural Heritage (INTACH) was set-up in 1984 primarily with the mandate to undertake the work of preservation of cultural, natural heritage of India. Towards this task, INTACH has undertaken various activities including promotion of conservation skills required in the restoration and protection of monuments.

It has been observed by INTACH that there are several properties which by their antiquity and age have become heritage properties and are managed by the State Public Works Department. It is necessary to not only identify such government buildings but also to restore and maintain them keeping in view the conservation practices. These buildings could be guest houses, Collector's office and residence, public libraries, public offices and so on.

To achieve this objective of restoration and conservation, it is necessary that the State. P.W.D's have a Heritage Cell within their Organization. This cell should be manned by people who are professionals in conservation and restoration. INTACH would seriously urge the State Government to set-up such a cell as soon as possible under the control of the State Government.

- (i) As per above position stated by the INTACH, a list of State protected Monuments and unprotected monuments of Haryana is enclosed for ready reference/discussion at annexure A and B.
- (ii) Matter regarding set-up of Heritage cell for conservation, restoration of heritage protection will also be discussed in the meeting.

Subject: Use of Archives for the promotion of Historical Research.

Apropos of the subject, I wish to inform that the Department of Archives has been playing a vital role in acquiring, preserving the Archival heritage in the form of original public/private records, manuscripts and rare books etc. from different sources for the promotion and advance of historical research in the State. However, it is not being used to the extent possible by the teaching faculty in the Universities and scholars of social sciences departments.

I am of the opinion that in this age of globalization, close interaction with the scholarly world should be the priority of a Research Oriented Organization. Haryana state Archives, Panchkula and its four Regional Archives offices established at all Divisional Headquarters (Ambala, Hisar, Rohtak and Gurgaon) in the state has large collection of Original Public Records, Private Papers, Manuscripts, News Papers and Rare books. Information about freedom fighters, rare photographs, Reports, Monographs, Gazettes & Gazetteers etc. are also available which could provide Research scholars authentic data for their research projects and other valuable writings. Besides, to cater the needs of scholars of History, there are prominent works on History especially relating to Haryana. For promotion of historical awareness and research, the department also organizes Seminars/Exhibitions in schools/colleges/Universities in the State.

It is felt that despite all this, many people are still unaware about the importance and uses of Archives. This needs to be tackled with active assistance of all concerned. You would agree that esteemed organizations like yours can play an important role in this area. I would, therefore, request you kindly to press upon all the Postgraduate/M.Phil/Ph.D. scholars' and faculty, especially in social sciences departments, that they make it convenient to pay a visit to the Archives for making maximum use of available material in writing their research/dissertation projects and explore the hidden facts of the glorious past history of Haryana and also bring the same into lime light. Officers in the Department of Archives have been directed to provide all possible assistance/ guidance in conduct of their research.

I shall be grateful if you could issue suitable instructions in this regard to all concerned in your esteemed organization.

Yours sincerely,

विषय: गांधी जी द्वारा 1 मार्च 1921 को जिला हिसार में यात्रा करने बारे।

उपरोक्त विषय पर आप के पत्र क्रमांक 1834/एम0ए0 दिनांक 25.2.2009 के संदर्भ में। उपमंडल अधिकारी (ना.) हिसार की रिपोर्ट कहती है कि गांधीजी 1 मार्च 1921 को बुगाना गाँव नहीं आए थे। रिपोर्ट के आधार बुजुर्ग, बूढ़े, मौजिज, नम्बरदार आदि बताए गए हैं। लगभग 90 वर्ष पुरानी घटना को याद रखने के लिए ये लोग 100 वर्ष के ऊपर होने चाहिए। मेरे अनुमान के मुताबिक ऐसा नहीं रहा होगा। अतः रिपोर्ट का आधार विश्वसनीय नहीं है।

विषय के महत्व को देखते हुए, यदि कुछ गम्भीर प्रयत्न हो जाएं तो शायद कुछ ठीक नतीजा निकल सके - मेरा मतलब है निम्न स्रोतों तक पहुंचने का :

- जिला हिसार के 1921 के पुलिस रिकार्ड्स।
- डि.सी. हिसार के दफ्तर की गोपनीय फाइल्स, 1921 की।
ये फाइल या तो उपायुक्त दफ्तर में होंगी, या हरियाणा अभिलेखागार, पंचकुला को दे दी गई होंगी (अभिलेखागार की एक शाखा हिसार में भी है, उसके पास भी हो सकती है)।
- जिला हिसार के कांग्रेस दफ्तर के पुराने रिकार्ड्स, 1921 के।
(किसी पुराने कांग्रेस संगठन से जुड़े नेता के पास हो सकते हैं - संभावना कम है)।
- इलाके के पुराने गांधीवादी नेताओं से पूछताछ की जा सकती है - हो सकता है किसी पुराने नेता से उन्होंने कुछ सुना हो। ला. हरदेव सहाय, रामकिशन बख्शी जी, पं. नेकीराम जी या अन्य पुराने नेताओं के 'प्राइवेट पेपर्स' हों तो वहां भी देखा जा सकता है।

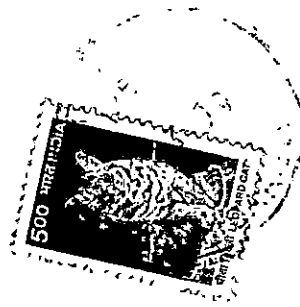

कृपया जब तक पूरी तरह से नकारात्मक दस्तावेज/ठोस साक्ष्य न मिलें विषय को शोध खोज के लिए खुला रखें।

1. This day was Monday. Probably from this day MKG began to observe Monday as silence day, with three exceptions:—(a) when he was in mortal danger, and speaking would render aid (b) when somebody else was in danger and speaking would render aid and (c) when Viceroy or similar dignitary called unexpectedly and speaking was necessary. Silence usually started at 3.00 P.M. on Sunday and lasted for 24 hours; but time could be altered to suit needs.

2. In 'Indian Review', (Feb. 1921) date is 14, and in 'Bombay Gujarati' (20.2.1921) it is 12th. None of these is correct.

3. On 29.3.1916.

4. (a) The meetings had to be held here as holding of meetings in Lahore was prohibited. (b) In Navajivan (14.4.21) date is 19.3.21. This is an error.

5. At this place (about 50 miles from Lahore) Mahant of orthodox sikhs had murdered a number of sikhs holding advanced views.

6. In footnote p. 419 of Vol. 19 of Source No. 42, it is stated that on 21st MKG was at Gorakhpur or Fyzabad. This does not seem to be correct.

7. (a) In 'Bombay Gujarati' date is 27th and in 'Amrita Bazar Patrika' it is 28th, but in 'Prajabandhu', 'Navajivan' and 'Leader' it is 26th. This is accepted. (b) Copies of speech of Duke of Connaught were dropped from air.

उपायुक्त,
जिला हिसार,
हिसार।

विषय: गांधी जी द्वारा 1 मार्च 1921 को जिला हिसार में यात्रा करने बारे।

उपरोक्त विषय पर आप के पत्र क्रमांक 1834/एम0ए0 दिनांक 25.2.2009 के संदर्भ में।
उपमंडल अधिकारी (ना.) हिसार की रिपोर्ट कहती है कि गांधीजी 1 मार्च 1921 को बुगाना
गाँव नहीं आए थे। रिपोर्ट के आधार बुजुर्ग, बूढ़े, मौजिज, नम्बरदार आदि बताएं गए हैं।
लगभग 90 वर्ष पुरानी घटना को याद रखने के लिए ये लोग 100 वर्ष के ऊपर होने
चाहिए। मेरे अनुमान के मुताबिक ऐसा नहीं रहा होगा। अतः रिपोर्ट का आधार विश्वसनीय
नहीं है।

विषय के महत्व को देखते हुए, यदि कुछ गम्भीर प्रयत्न हो जाएं तो शायद कुछ ठीक
नतीजा-निकल सके - मेरा मतलब है निम्न स्रोतों तक पहुंचने का :

- जिला हिसार के 1921 के पुलिस रिकार्ड्स।
- डि.सी. हिसार के दफ्तर की गोपनीय फाइल्स, 1921 की।
ये फाइल या तो उपायुक्त दफ्तर में होंगी, या हरियाणा अभिलेखागार,
पंचकुला को दे दी गई होंगी (अभिलेखागार की एक शाखा हिसार में भी है,
उसके पास भी हो सकती है)।
- जिला हिसार के कांग्रेस दफ्तर के पुराने रिकार्ड्स, 1921 के।
(किसी पुराने कांग्रेस संगठन से जुड़े नेता के पास हो सकते हैं - संभावना
कम है)।
- इलाके के पुराने गांधीवादी नेताओं से पूछताछ की जा सकती है - हो सकता
है किसी पुराने नेता से उन्होंने कुछ सुना हो। ला. हरदेव सहाय, रामकिशन
बख्शी जी, पं. नेकीराम जी या अन्य पुराने नेताओं के 'प्राइवेट पेपर्स' हों तो
वहां भी देखा जा सकता है।

कृपया जब तक पूरी तरह से नकारात्मक दस्तावेज/टोस साक्ष्य न मिलें विषय को
शोध खोज के लिए खुला रखें।

आजादी के समय का ऐरियल फोटोग्राफ जनहित में प्रयोग हेतु सुरक्षित रखने हेतु
भारत के अतीत को बचाने हेतु, तथा गरीब व कमजोर को न्याय दिलाने हेतु।

मेरी प्रार्थना निम्न प्रकार से है कि :-

- यह है कि आजादी (सन् 1947) के बाद सामन्ती युग की समाप्ति पर, जनतंत्र के उदय पर के समय का ऐरियल फोटोग्राफ उस समय के समुदायों का अस्तित्व बचाने में सहायक है। आजादी के बाद सरकार ने किसान व गरीबों को खेत व घर-बार का कालिक बनाया तथा आबाद किया। आज गरीबों के खेतों की सींव फोड़कर घर गुवाड़ी व रास्तों पर अतिक्रमण कर रहे हैं। बाहुगली स्थाई रास्ता बन्द कर खेत बेचने पर मजबूर कर रहे हैं। गरीबों से नाजायज रास्ता ले रहे हैं। कर्मचारी, अधिकारी व पुलिस गरीबों का शोषण कर रही है। हमारी न्याय व्यवस्था भी गरीबों को बचाने में सक्षम नहीं है।
- यह है कि ऐरियल फोटोग्राफ आजादी के समय का, स्वतन्त्रता का समय का, 50 हजार व 25 हजार के स्केल, पैमाने वाले का 4 हजार की स्केल पैमाने पर रेक्टिफाईड प्रिन्ट भारत की लाखों, करोड़ों जनता के हित में प्रयोग हेतु समक्ष अधिकारी द्वारा कम खर्च में या राज्य सरकार के खर्च पर, भारत के किसी भी नागरिक को अतिक्रमण हटवाने की सुविधा मिलनी चाहिये। कोई भी अधिकारी चाहकर भी पक्ष-पात नहीं कर सकता और करेगा। तो पकड़ा जायेगा। इससे विश्वास बढ़ेगा और उग्रवाद खत्म होगा।
- यह है कि ऐरियल फोटोग्राफ 25 हजार व 50 हजार (पैमाना) स्केल वाला दुबारा प्राप्त नहीं किया जा सकता, यह भारत का अतीत है। दुर्लभ है। ये बचपन का फोटो है। सामन्ति युग की समाप्ति और जनतंत्र की शुरुआत का असीली रूप हैं। भारत के किसानों का असली प्रमाण-पत्र है। इसलिये इसको 4 प्रतियों में 4 सुरक्षित स्थानों (कलकता, बम्बई, दिल्ली, मद्रास) पर रखा जाना चाहिये। कोई समाप्त न कर दें। नहीं तो मेरे जैसे लाखों, करोड़ों गरीब लोग न्याय से वंचित रह जायेंगे।
- यह है कि जयपुर के राजा जयसिंह के समय का डेढ़ सौ (150) वर्ष पुराना खेतों का नक्शा जिसकी चारों भुजाओं की नाप व मोड़ की नाप अलग-अलग लिखी हुई हैं। पर आज के सेटलमेन्ट का नक्शा एक रकब (खाका) जैसा है, जो जनहित में नहीं है। और हर बार नाप-तोल में घटा-बढ़ी करके उसका रकबा कम-ज्यादा करते रहते हैं। जो किसी भी तरह न्याय संगत नहीं हैं। इसलिये आज के युग में ऐरियल फोटोग्राफ ही गरीबों का सहारा है। साथी है। जिसको कोई भी कानून असत्य नहीं ठहरा सकता।
- यह है कि डेढ़ सौ (150) वर्ष पुराना रिकार्ड जयपुर के राजा जयसिंह के समय का मेरे जैसे नागरिकों को जीवनदान दे रहा हैं। ये ऐरियल फोटोग्राफ आजादी के समय का नागरिकों को अधिकार दिये जाने के समय का तब तक रहना चाहिये जब तक हमारा जनतंत्र हैं इसमें भारत की 80% (अस्सी प्रतिशत) जनता की भलाई व हित हैं।

“हम आदिवासियों का अस्तीत्व कई बार मिटा है, पर अब आजाद भारत में हमारा अस्तीत्व सुरक्षित रहना चाहिये, भले ही हमें कई बार जंगलों में खदेड़ा गया, पर अब हमें जंगलों से नहीं हटवाया जावे”

एक भाई सौ (100) बीघा खेत जोतता था। आज वह ही उसका मालिक बना हुआ है परन्तु दूसरा भाई जंगलों में 100 (सौ) जानवर चराता था उसको भी मालिकाना हक मिलना चाहिये था। जंगल में शेर छोड़कर वनवासी/आदिवासियों को भगाने के बजाय सरकारी सहायता से सड़क, बिजली, पानी, ट्यूबवेल, पक्के तले वाले अनिकट, तालाब चारे का घास, पेड़ व कीमती पेड़ (ईमारती लकड़ी के) सरकारी सहायता से व्यवस्था होने पर आदिवासी/वनवासियों का जीवन बहुत हद तक बचाया जा सकता है।

विषय: आजादी के समय का ऐरियल फोटोग्राफ जनहित में प्रयोग हेतु सुरक्षित रखने
हेतु भारत के अतीत को बचाने हेतु तथा गरीब व कमजोर को न्याय दिलाने
के संबंध में श्री बलवन्त राम मीणा पुत्र नानूराम मीणा का अभ्यावेदन।

महोदय,

उपरोक्त विषय पर आपके दिनांक 16.2.2005 के अभ्यावेदन के संदर्भ में आपको
सूचित किया जाता है कि आजादी के समय के ऐरियल फोटोग्राफ, भारतीय सर्वेक्षण विभाग
या भारतीय सेना के पास उपलब्ध नहीं है।

भवदीय,

(जय प्रकाश भाटिया)

(जय प्रकाश भाटिया)
अवर सचिव, भारत सरकार।

उपरोक्त पत्र का जवाब

1. यह है कि प्रथम महायुद्ध के समय अंग्रेज वायु सेवा द्वारा अपने दुश्मन जर्मन का हवाई फोटो लेकर जर्मन राज्य पर अपना अधिकार स्थापित किया था।
2. आजादी सन् 1947 से पहले अंग्रेज वायुसेना द्वारा भारत का भी फोटोग्राम लिया गया था।
3. यह है कि आजादी के बाद 1960 के दशक में 50,000 स्केल पर भारत की फोटोग्राफी हुई थी।
4. यह है कि आजादी के बाद 1975 के दशक में 25,000 की स्केल पर फोटोग्राफी हुई थी।
5. यह है कि उपरोक्त पत्र में सचिव महोदय द्वारा नकारात्मक जवाब से मुझे दुःख हुआ कि गरीबों की समस्या के बारे में सोचने वाले अधिकारी अभी तक नहीं पहुँच पाये हैं। इसलिए हर क्षेत्र में हर वर्ग प्रतिनिधित्व होना चाहिए जिससे हर वर्ग की समस्या के बारे में समाधान खोजा जा सके।
6. यह है कि कोई भी सरकारी योजना बहुउद्देश्य होती है। सरकार अपना अतिक्रमण हटाने में बल प्रयोग करती है। गरीबों के पास ये फोटोग्राफ ही अतिक्रमण हटाने के लिए प्रमाण है।
7. सन् 1947 के समय अंग्रेज हिन्दुस्तान आपस में लड़ रहे थे इसलिए पहले का या बाद का है। इसलिए जनहित ऐरियल फोटोग्राफ 4,000 स्केल (पैमाना) पर रेक्टिफाईड प्रिन्ट सुलभ करना अति आवश्यक है। इसमें भारत की 80 प्रतिशत जनता का हित है।

6. हमारा देश महान है यहां छोटे भाई को पहले हिस्सा लेने का अधिकार है इसलिये गरीब को पहले न्याय मिले और घर पर ही न्याय मिले, ऐसी हमारी न्याय प्रणाली होनी चाहिये। हमें ऐसा न्यायाधिश चाहिये जैसे राजस्थान के हाईकोर्ट के मुख्य न्यायाधिश ने एक गरीब के पत्र को अपील मानकर न्याय किया।
7. मुझे विश्वास है कि मेरे जैसे लाखों, करोड़ों गरीब नागरिकों के हित को ध्यान में रखकर कानूनन ऐरियल फोटोग्राफ की सहायता से कम खर्च में अतिक्रमण हटवाने की सुविधा अधिकारों द्वारा, कानून द्वारा मिलेगी, देश में लाखों नागरिक झगड़ा करके मरते हैं, दुःखी होते हैं, उनको राहत मिलेगी।

ORGANISATIONAL CHART:

At the time of re-organization of Punjab and creation of Haryana on 1st November, 1966, there was no independent Archives Department in Haryana and therefore, no specific attention could be paid towards the public and private records in the State. An Archaeological cell was created in 1969 to look after Archaeological and Archival interests in the State. Haryana Government, Education Department sanctioned a skeleton staff consisting of 7 posts for setting up of Haryana State Archives vide letter no.2005-Edu.II(6E)-73/35548 dated 12.12.1973. Undoubtedly some of these posts were filled up as early as in 1974, but the post of Deputy Director Archives could only be filled up by taking an officer on deputation from National Archives of India in September, 1975 and the Haryana State Archives became an independent Department in the year 1976.

With the increase of work and bulk of records, two Regional Repositories were opened at Hisar and Ambala in the year 1986. Thereafter with creation of two more divisions, Regional Repositories were opened at Rohtak and Gurgaon in the year 1997.

The State Archives functions under the administrative control of the ^(X) Financial Commissioner and Principal Secretary to Government of Haryana, Archives Department, and the Director ^{Archives who is the chief officer} is the Head of Department, Both belonging to the Indian Administrative Services. ~~All the archival activities of the State Archives are looked after by the Deputy Director Archives, who is the Head of the Office of the department are looked after by D.D. BUDGET ALLOCATION:

For the year 2009-2010, Plan Budget of the State Archives is Rs. 30.00 lakhs and Non Plan Budget is Rs. 138.01 lakhs.

RECORD MANAGEMENT:

(a) Appraisal/ Weeding Practices:

In order to streamline the system of Record Management in various offices/ departments of Haryana Government, the State Archives is performing its activities in the field of appraisal of non-current records, inspection of record rooms and tendering of advice on various aspects of Record Management. The State Archives has published Records Retention Schedule common to all Departments regarding retention period of various categories of files.

The State Archives has framed the Archival Policy Resolution to control and guide the creation, maintenance and disposition of the records of the Departments. It also defines and regulates the responsibilities of Departments and Offices of the State Government for custody, care and management of records in their possession and for

selection and preservation of public records of permanent value to the State Archives.

The task of weeding of the records available in offices of Haryana Government is being taken by the State Archives with a view to eliminate the useless records and providing records of more permanent value, better conditions of storage and preservation.

(b) Enactment of Archival Legislation:

Enactment of Public Records Act is under active consideration of the Government.

(c) Application of IT for electronic records:

At present the State Archives has no electronic records in its possession.

REPAIR AND REPROGRAPHY FACILITIES:

The State Archives not only endeavors to keep the records and books safe from the enemies of records viz. dust, heat, light, humidity and insects etc. but also to conserve them for posterity on scientific lines. Daily and periodical dusting of records is carried out manually and by Vacuum Cleaner. To keep the records safe from fungus growth, thymol fumigation is done in the State Archives.

The State Archives has a full fledged rehabilitation unit in which old and fragile documents are treated scientifically in accordance with latest techniques. Every care is taken that the edges and corners of papers are preserved and damage caused to the original records is minimized. As a measure of first aid minor repair is undertaken in the first instance. Papers with unwashable ink are de-acidified. Fragile documents are repaired by the hand lamination process with cellulose acetate foil, tissue paper and acetone. In addition to this some documents are also repaired with tissue paper and Carboxy Methyl Cellulose Sodium Salt paste. The documents written only on one side are treated with full pasting on the back side of the document. The worm eaters documents are repaired by inlaying them in suitable mounts. Subsequently the records and books are subjected to stitching and binding. The remarkable part of preservation is that needle does not touch the original document. The document is thus finally preserved for posterity.

The reprography section of the State Archives is well equipped with Microfilm Camera, Microfilm Reader, Xerox Machine, Photo Camera and other photography accessories. Hundred microfilm rolls have already been used for microfilming the record holdings of the Department.

The State Archives provides necessary facilities to bona-fide research scholars for consulting records of interest to them. There are also arrangements for supplying to them Xerox/ Microfilm copies of the documents required by them on a nominal payment.

COMPUTERIZATION AND DIGITALIZATION OF RECORDS:

The State Archives strides to take up the work of Computerization and Digitalization of Records in its custody. The Reference Media of the Records will be digitalized in the first instance.

OUTREACH PROGRAMME FOR PUBLIC AS WELL AS SCHOLARS:

In order to arouse consciousness in public for the preservation of records lying in private custody and acquaint the students as wells as the public with the cultural, historical and résearch value of records, the State Archives has been organizing exhibitions at various places in Haryana and in other States on various occasions.

Like all Archives through-out the world, the State Archives also provides research facilities to bona-fide research scholars.
