SIDH

Skill India Digital Hub- a state-of-the-art platform - is an integral part of India's Digital Public Infrastructure for the skilling ecosystem. Based on a mobile-first approach, the platform provides the embodiment of innovation and accessibility, designed to meet the evolving needs of India's diverse populace. Furthermore, Skill India Digital Hub is also a unified platform for all government initiatives in the skilling and entrepreneurship ecosystem – a go-to hub for citizens in pursuit of career advancement and lifelong learning. It is a journey to build a skilled, empowered, and future-ready India.

The platform's mobile-first approach adapted to the modern era's reliance on smartphones ensures uninterrupted learning and skilling experiences through multiple devices, allowing users to engage with the platform's resources anytime and anywhere. This approach and Skill India Digital Hub's dedication to personalized discovery has opened doors to new learning possibilities. Users at Skill India Digital Hub can access a comprehensive repository of skill courses, training centres, apprenticeships, books, digital job exchanges, and more.

To harness the power of modern technology, Skill India Digital Hub not only breaks linguistic barriers by being accessible in multiple Indian languages but also seamlessly integrates features like Aadhaar-based e-KYC for registration, ensuring a robust and secure user experience. The platform's commitment towards emerging technologies including artificial intelligence and machine learning offers learners a tailored and efficient educational trajectory.
