Case No. 742 of 2019

09.03.2023

Present: Mr. Jose Abraham, Advocate for the petitioner.
None for the respondent.

We have heard learned counsel for the petitioner at some length.

During the arguments, it is pointed out that at the time of filing application for grant of NOC before the State Competent Authority under Section 10 of NCMEI Act, 2004 and also at the time of filing this petition before the Commission for grant of MSC on dated 25.09.2019, the name of the Trust mentioned in the petition as Sarkar Education Trust whereas, the declaration part of the petition is signed by Abdul Rahim as Secretary Sarkar Educational Trust but the declaration part has been attested with seal of Secretary, Sarkar Education Trust. So there is a contradiction in petition and declaration part.

Learned counsel for the petitioner draw our attention on amendment of the Trust Deed dated 21.07.2022, which is registered by the Society on same date is during the pendency of this petition.

We have gone through the amended Trust Deed dated 05.12.2016, which is effective at the time of filing application for grant of NOC and petition for grant of MSC before this Commission and in that amended Trust Deed in Aims and Objectives, it is mentioned that to sponsor and promote Educational Institutions from Kindergarten level to Post- Graduate level in order to develop education and training facilities, the benefits of which will be available to people of irrespective of caste, colour and creed. The second clause of the Amended Trust Deed says that this all educational institutions established and administered by Sarkar Educational Trust are minority institutions, covered under Article 30(1) of the Constitution of India primarily for the benefit of Muslims and all other minorities.

So at the time of filing the petition above clause is mentioned that this institution is primarily for the benefit of Muslims and all other minorities in general not for all.

Again petitioner has amended their Trust Deed on dated 21.07.2022, during the pendency of this petition.

Contd...2/-

There are importantly two amendments are there one is for the name of Trust Sarkar Educational Trust to Sarkar Education Trust and second is primarily benefit of Muslims. However, admissions in these minority educational institutions shall be extended to others as well, irrespective of religion, race, community, caste, creed, colour, sex, language and social status.

Learned counsel for the petitioner filed an application before the Commission on dated 20.10.2022, which is taken on record on dated 26.10.2022 but we have not issue the notice to the respondent about this amended application.

In the interest of justice, this amended application is served to both the respondents.

Learned counsel for the petitioner is directed to submit copy of amended application and also the copy of certain amendments made during the pendency of this petition along with two envelopes and postal charges for sending regd. notice to both the respondents.

After compliance of the above order by the learned counsel for the petitioner, Office is directed to issue notice of amended application to both the respondents.

Case No. 29 of 2021

09.03.2023

Present: Mr. Jose Abraham, Advocate for the petitioner.
None for the respondent.

Learned counsel for the petitioner filed by hand General Body Resolution of petitioner's Society, before the Commission's Office on dated 02.03.2023, which is taken on record.

Respondent has sent a joint letter "reply" by post and photocopy of that letter received in the Commission's Office on dated 17.01.2023, which is taken on record.

We have heard learned counsel for the petitioner at some length.

During the arguments we have compared the list of Governing Body filed by the petitioner on dated 02.03.2023 and in the amendment clause list of Governing body amendment on bottom of these documents this is amended clause.

Learned counsel for the petitioner submitted that he will clarify the date of amendment from his client and he is not able this time to clear the date of amendment.

We have gone through the same amendment filed by the petitioner on dated 05.05.2022 in which the present Governing Body members list for the year 2018 – 2020 is not mentioned.

In earlier documents signature at the bottom are not there so it is prima facie clear that both documents are different in our opinion if documents are same then certainly both documents should be same but prima facie both are different.

Learned counsel for the petitioner is directed to file original amended clause documents before the Commission before next date of hearing.

We have perused the case file and it is found that Fr. Vijay Kumar is the signatory of the MSC application and has also furnished an affidavit in support of the petition but his name is not available in the list of members certified by the Registrar of the Societies.

It transpires from the records that there is no specific beneficiary clause available in the MoA that petitioner institution is established primarily for the benefit of the Christian Minority Community and in general for all.

It also transpires from the petition that this school is upto Secondary level and recognition certificate filed by the petitioner is not issued by the Central / State Examination Board and petitioner has also not filed complete UID.

Learned Counsel for the petitioner seeks leave to withdraw the petition with liberty to file a fresh petition for the same relief.

Leave and liberty is granted.
