29.03.2022

Present: None.

Despite service of regd. notice and email, none appeared on behalf of the petitioner, even in the second round.

It transpires from the record that the petitioner has not applied to the State Competent Authority for grant of NOC.

The Hon'ble Supreme Court in Civil Appeal No. 3945 of 2018 in case of Sisters of St. Joseph of Cluny vs. The State of West Bengal and Ors. vide order dated 18.04.2018, has held that any person who desires to establish minority educational institution after the amendment Act of 2006 came into force, must apply only to the competent authority for grant of No Objection Certificate for the said purpose.

All applications for the establishment of a minority educational institution after the amendment Act of 2006 must go to the competent authority set up under the statute.

It also transpires from the records, that the petitioner has also applied before the State Competent Authority for grant of Minority Status Certificate and that application is still pending.

As per law and settled procedure, petitioner cannot apply before this Commission unless and until the Minority Status Certificate application is disposed by the State Competent Authority. Hence this application is not maintainable at this stage.

It also transpires from the records, that petitioner Institutions is an individual management school and was established by Mr. S. Sankarasubbu who belongs to the Hindu community and there is no documentary evidence to substantiate as to how the St. John's Primary School has been taken over by the Management.

It also transpires from the record that most of documents filed by the petitioner along-with the MSC application are in Tamil language and Hindi/ English translation has not been furnished by the petitioner.
