6. Despite service of registered notice dated 29.12.2023, no reply / response has been received from the respondent. Thereafter in the facts and circumstances of the case, Commission deemed fit and proper that physical inspection report alongwith recommendation may be obtained from the Committee constituted by this Commission for issuance of MSC to the petitioner institution vide order dated 14.02.2024. After service of letters/emails to the physical inspection committee dated 16.02.2024 and 21.03.2024, Physical Inspection Committee, Delhi has sent physical inspection report dated 18.04.2024 which was received in the Commission's Office on dated 19.04.2024 wherein they have recommended to grant MSC to the petitioner institution.
7. Heard the Learned Counsel for the petitioner, perused the pleading of the petition, the documents filed by the petitioner and affidavit of Prof. Kahkashan Y. Danyal, Secretary of the Delhi Education Society.
8. The petitioner institution has applied for grant of minority status certificate on the ground that the same has been established primarily for the benefit of the members of the Muslim minority community and is being administered by Delhi Education Society which is managed and run by the members of the Muslim minority community. The aforesaid averments made in the petition find ample corroboration from the documentary evidence produced on behalf of the petitioner institution and the affidavit of Prof. Kahkashan Y. Danyal, Secretary of the Delhi Education Society.
9. Hon'ble Apex Court, various High Courts as well as this Commission in case of Buckley Primary School, Cuttack, Orissa

Vs. Government of Orissa (order passed by the Commission in Case No. 1320 of 2009 dated 6.7.2010) have categorically held that the percentage of admission of students from notified minority community in a minority educational institution is not an indicia for determining the minority status of such institution. This Commission has also decided that there must be reasonable strength of students of particular minority community in a minority educational institution. The percentage could be determined based on the actual proportion of specific minority community in the State population as per prevailing census. Population of Muslim minority community in the State of Delhi as per the census of 2011 is 12.86%.

10. I have perused the Amended Memorandum of Association of the petitioner institution which was registered before the Registrar of Societies, Govt, of NCT of Delhi on dated 11.11.2016 which is before the filing of NOC application U/s 10 of the NCMEI Act, 2004 dated 29.03.2023 and petition for grant of MSC on dated 11.12.2023. So it is clear that the amendment has been done before the application filed before the State Competent Authority U/s 10 of the NCMEI Act, 2004 and also petition for grant of MSC before this Commission.
11. The Amended Memorandum of Association dated 11.11.2016 and all the documents produced by the petitioner institution clearly reflects that the beneficiaries of the petitioner institution are primarily the members of the Muslim minority community. In addition, the said facts also stands proved from the documents and affidavit filed by the petitioner. There is no document on record to rebut the documentary evidence produced on behalf of the petitioner institution.
12. Relying on the said unrebutted evidence produced on behalf of the petitioner, we find and hold that Anglo Arabic Model School, Ajmeri Gate, Delhi-2, Central Delhi-110006 run by Delhi Education Society is eligible for grant of minority status on

religious basis. The evidence also proves that the said educational institution was established with the main objective of sub-serving the interests of the Muslim minority community.

13. Consequently, Anglo Arabic Model School, Ajmeri Gate, Delhi-2, Central Delhi-110006 is declared as an unaided minority educational institution covered under Article 30 of the Constitution of India within the meaning of Section 2(g) of the National Commission for Minority Educational Institutions Act, 2004 subject to the condition that the petitioner would file an affidavit or undertaking to the fact that the petitioner institution shall not deny admission of eligible candidate of the Muslim minority community subject to the eligibility of the students and availability of the accommodation in the petitioner institution. If the petitioner institution failed to comply the above order of this Commission within a period of three months from the date of order passed by this Commission then the petition filed by the petitioner for grant of MSC will be automatically deemed to be dismissed.
14. After compliance of the above order, a minority status certificate be issued accordingly.
15. In view of the above, the present petition is disposed of in accordance with this order.

Signed, pronounced and published on **Wednesday, 1st Day of May, 2024.**
