Case No. 73 of 2023

07.08.2024

Present : Mr. Prasanth Kulambil, Advocate for the petitioner

1. By the physical inspection report dated 15.03.2024, the members of the Physical Inspection Committee stated that during the academic year 2022-23, out of total 179 students, 17 students were from the Muslim minority community, 16 students were from the Sikh minority community and 146 students were Hindus.

2. On the contrary, petitioner has mentioned against the Col. No. 6 of the petition for grant of MSC that during the academic year 2022-23, out of total 269 students, 31 students were from the Muslim minority community, 37 students were from the Sikh minority community and 201 students were Hindus. Thus there is an apparent inconsistency between the factual position stated in the petition for grant of MSC and Physical Inspection Report.

3. Learned Counsel for the petitioner is directed to file the counter affidavit explaining therein about the said inconsistency.
