Present: Mr. Jose Abraham, Advocate for the petitioner.

Though the matter was listed for final hearings but some variance was observed in the report and petition.

A bare reading of the physical inspection report makes it clear that during the academic year 2022-23, out of total 192 students, 6 students were from the Muslim minority community, 51 students were from the Christian minority community and 135 students were Hindu. During the academic year 2023-24, out of total 324 students, 09 students were from the Muslim minority community, 95 students were from the Christian minority community and 219 students were Hindu. It is relevant to mention here that during the academic year 2023-24 out of total 25 teachers, 10 teachers were from Christian minority community and 15 teachers were Hindu.

Whereas the information supplied by the petitioner with regard to students and teachers strength are different from the physical inspection report.

Learned counsel for the petitioner is directed to clarify the said inconsistency.
