As per the Government Order (P) No. 2/2020/GAD dated 09.01.2020, the Director of Minority Welfare, Kerala has been appointed as the Competent Authority for deciding the eligibility for Minority Status and for issuing No Objection Certificate to the educational institutions established and managed by minority communities in the State, for the purpose of applying for Minority Status Certificate under Section 10 of the National Commission for Minority Educational Institutions Act, 2004.

As per the reference 2<sup>nd</sup> cited, Lisieux College of Nursing, Mookkannoor, MAGJ Hospital, Mookkannoor P.O., Angamaly (Via), Ernakulam District has submitted an application for No Objection Certificate to the institution for the purpose of applying for Minority Status Certificate for their Professional College.

The application along with the supporting documents has been examined in detail and also heard the applicant on 04.01.2024. 6. Heard learned counsel for the petitioner, perused the pleadings, the documents filed by the petitioner and affidavit of Bro. Varghese Manjaly C.S.T., Chairman of the M.A.G.J. Hospital Trust and authorized representative of petitioner institution. In fact and circumstances of the case, there appears no need to give notice of this petition as respondent has granted NOC in favour of the petitioner institution.

7. The petitioner institution has applied for grant of minority status certificate on the ground that the same has been established primarily for the benefit of the members of the Christian minority community and is being administered by the M.A.G.J. Hospital Trust, which is managed and run by the members of the Christian minority community. The aforesaid averments made in the petition find ample corroboration from the documentary evidence produced on behalf of the petitioner institution and the affidavit of Bro. Varghese Manjaly C.S.T., Chairman of the M.A.G.J. Hospital Trust and authorized representative of petitioner institution.

8. Hon'ble Apex Court, various High Courts as well as this Commission in case of Buckley Primary School, Cuttack, Orissa Vs. Government of Orissa (order passed by this Commission in Case No. 1320 of 2009 dated 06.07.2010) have categorically held that the percentage of admission of

students from notified minority community in a minority educational institution is not an indicia for determining the minority status of such institution. This Commission has also decided that there must be reasonable strength of students of particular minority community in a minority educational institution. The percentage could be determined based on the actual proportion of specific minority community in the State population as per prevailing census. Population of Christian minority community in the State of Kerala as per the census of 2011 is 18.38%.

9. I have perused the amended Trust Deed of M.A.G.J. Hospital Trust, which was registered before the Sub-Registrar, Angamaly, which is before filing petition for grant of MSC on dated 21.08.2024. So it is clear that the amendment has been done before filing the petition for grant of MSC before this Commission.

10. The amended Trust Deed and all the documents produced by the petitioner institution clearly reflect that the beneficiaries of the petitioner institution are primarily the members of the Christian minority community. In addition, the said fact also stands proved from the documents and affidavit filed by the petitioner. There is no document on record to rebut the documentary evidence produced on behalf of the petitioner institution before this Commission.

11. I have perused the Order No. MWD/594/2023-MSD dated 12.6.2024 passed by the State Competent Authority. By the above order State Competent Authority of Kerala has granted NOC in favour of the petitioner institution.

12. Relying on the said unrebutted evidence produced on behalf of the petitioner, we find and hold that the Lisieux College of Nursing, Mookkannoor, MAGJ Hospital, Mookkannoor P.O., Angamaly (Via), Ernakulam District, Kerala- 683 577, is eligible for grant of minority status on religious basis. The evidence also proves that the said educational institution was established with the main objective of sub-serving the interests of the Christian minority community.

13. Consequently, Lisieux College of Nursing, Mookkannoor, MAGJ Hospital, Mookkannoor P.O., Angamaly (Via), Ernakulam District, Kerala- 683 577, is declared as unaided minority educational institution covered under Article 30 of the Constitution of India within the meaning of Section 2(g) of

the National Commission for Minority Educational Institutions Act, 2004 subject to the condition that the petitioner would file an affidavit or undertaking to the fact that the petitioner institution shall not deny admission of eligible candidate of the Christian minority community subject to the eligibility of the students and availability of the accommodation in the petitioner institution. If the petitioner institution fails to comply the above order of this Commission within a period of three months from the date of order passed by this Commission then the petition filed by the petitioner for grant of MSC will be automatically deemed to be dismissed.

14. After compliance of the above order, a minority status certificate be issued accordingly.

15. However, it is made clear that if State Government has any objection in granting MSC in favour of the petitioner institution i.e. Lisieux College of Nursing, Mookkannoor, MAGJ Hospital, Mookkannoor P.O., Angamaly (Via), Ernakulam District, Kerala- 683 577, the State is free to file an application for cancellation of MSC under Section 12(c) of the NCMEI Act, 2004.

16. In view of the above, the present petition is disposed of in accordance with this order.

Signed, pronounced and published on **Wednesday, 25<sup>th</sup> day of September, 2024.**
