5. It is stated in the petition that on dated 14.10.2022, the petitioner institution has applied to the State Competent Authority for grant of NOC which was received by the State Competent Authority on 19.10.2022 and the same is still pending before the State Competent Authority. The State Competent Authority has not granted NOC in favour of the petitioner institution till now and also not rejected the said application and not

communicated the same to the petitioner. After 90 days from the receipt of the application for grant of NOC, the petitioner has filed this application for grant of MSC to this Commission straightway as per the provisions of Section 10 and 11(f) of National Commission for Minority Educational Institutions (in short 'NCMEI') Act, 2004.

6. Despite service of registered notice/email dated 03.03.2023 and 19.09.2023 no reply/response has been received from the respondent. Thereafter in the facts and circumstances of the case, Commission deemed fit and proper that physical inspection report alongwith recommendation may be obtained from the Committee constituted by this Commission for issuance of MSC to the petitioner institution vide order dated 01.05.2024, after service of letter/ email to the physical inspection committee dated 05.06.2024, the District Minority Welfare Officer, Kannoj, has sent physical inspection report dated 21.08.2024, which was received in the Commission's Office on dated 29.08.2024 wherein they have recommended to grant minority status certificate to the petitioner institution.

7. Heard learned counsel for the petitioner, perused the pleadings, the documents filed by the petitioner and affidavit of Fr. Binoy Joseph, Secretary, St. Thomas Educational and Medical Society and authorized representative of petitioner institution.

8. The petitioner institution has applied for grant of minority status certificate on the ground that the same has been established primarily for the benefit of the members of the Christian minority community and is being administered by the St. Thomas Educational and Medical Society, which is managed and run by the members of the Christian minority community. The aforesaid averments made in the petition find ample corroboration from the documentary evidence produced on behalf of the petitioner institution and the affidavit of Fr. Binoy Joseph, Secretary, St. Thomas Educational and Medical Society and authorized representative of petitioner institution.

9. Hon'ble Apex Court, various High Courts as well as this Commission in case of Buckley Primary School, Cuttack, Orissa Vs. Government of Orissa (order passed by this Commission in Case No. 1320 of 2009 dated 06.07.2010) have categorically held that the percentage of admission of students from notified minority community in a minority educational institution is not an indicia for determining the minority status of such institution. This Commission has also decided that there must be reasonable strength of students of particular minority community in a minority educational institution. The percentage could be determined based on the actual proportion of specific minority community in the State population as per prevailing census. Population of Christian minority community in the State of Uttar Pradesh as per the census of 2011 is 0.18%.

10. I have perused the amended Memorandum of Association of the petitioner institution, which was registered before the Principal Assistant,

Firms, Society, Chits, Kanpur, Uttar Pradesh, on dated 02.08.2016 which is before the filing of NOC application U/s 10 of the NCMEI Act, 2004 dated 14.10.2022 and petition for grant of MSC on dated 17.02.2023.

11. The amended Memorandum of Association dated 02.08.2016 of the said Society and all the documents produced by the petitioner institution clearly reflect that the beneficiaries of the petitioner institution are primarily the members of the Christian minority community. In addition, the said fact also stands proved from the documents and affidavit filed by the petitioner. There is no document on record to rebut the documentary evidence produced on behalf of the petitioner institution before this Commission.

12. Relying on the said un rebutted evidence produced on behalf of the petitioner, we find and hold that the St. Paul School, Chhibramau, Kannoj, Uttar Pradesh – 209 721, run by the St. Thomas Educational and Medical Society, is eligible for grant of minority status on religious basis. The evidence also proves that the said educational institution was established with the main objective of sub-serving the interests of the Christian minority community.

13. Consequently, St. Paul School, Chhibramau, Kannoj, Uttar Pradesh – 209 721, is declared as unaided minority educational institution covered under Article 30 of the Constitution of India within the meaning of Section 2(g) of the National Commission for Minority Educational Institutions Act, 2004.

14. A minority status certificate be issued accordingly.

15. In view of the above, the present petition is disposed of in accordance with this order.

Signed, pronounced and published on **Tuesday, 04th day of February, 2025.**
