CASE NO. 233 OF 2024

Date: 25.02.2025

Present: Mr. Junais P., Advocate for the petitioner.
None for the respondent.

On 11.12.2024, a letter dated 03.12.2024 has been received from the Superintendent PS for Director Secondary Education, Haryana, Panchkula stating therein that the petitioner institution has not send the case according to the guidelines of the minority issued by the Directorate of Secondary Education dated 14.08.2015 and they have directed the petitioner institution to send the matter again with all relevant documents related to minority status but the school has sent the incomplete report. He has further seeks time to file reply.

The petitioner has applied for grant of no objection certificate before the competent authority of the State Government on 03.02.2024, which was received by said authority on 08.02.2024 and the said application is still pending. The petitioner has waited sufficiently for a period of 90 days, before filing this petition.

The petitioner has already filed the proof of delivery of the letter dated 03.02.2024 to the respondent.

After 90 days from the receipt of the application for grant of NOC, the petitioner has filed this petition for grant of MSC to this Commission straightway as per the provisions of Section 10 and 11(f) of NCMEI Act, 2004.

It needs to be highlighted that sub-section(3) of Section 10 of the NCMEI Act reads as under: -

“(3) where within a period of ninety days from the receipt of the application under sub-section(1) for the grant of no objection certificate,-

(a) the competent authority does not granted such certificate; or

(b) where an application has been rejected and the same has not been communicated to the person who has applied for the grant of such certificate, it shall be deemed that the Competent authority has granted a no objection certificate to the applicant.

(emphasis supplied)”

This Commission is functioning as per the NCMEI Act, 2004 read with the judicial pronouncements of the Apex Court for the purpose of declaration of MSC. Petitioner institution had applied for grant of NOC whereas the reply received from the respondent does not even murmured a single word with regard to the receipt and further process of the said application for NOC, which is duly received by the respondent.

Reply of the respondent does not hold much water as he has not mentioned about the aforesaid NOC application. Office is directed to issue notice to the respondent, to apprise them about the Section 10 of the NCMEI Act and also direct members of the physical inspection committee to inspect the petitioner institution and send the original physical inspection report duly signed by all the members of the physical inspection committee positively before the next date of hearing.
