Case No. 188 of 2024

21.04.2025

Present: Mr. Junais P., Advocate for the petitioner.
None for the respondent.

Despite sending reminder letter by post and e-mail to the members of the Physical Inspection Committee, no response/Physical inspection report has been received from the members of the Physical Inspection Committee till now.

Learned counsel for the petitioner has submitted that the members of the physical inspection committee were asking for the documents and all the relevant documents have already been furnished to the members of the Physical Inspection Committee but they have not inspected the petitioner institution till now.

It transpires from the record that the petitioner institution has filed an application dated 17.11.2023 before the competent authority of the State Government for No Objection Certificate.

Section 10 of the NCMEI Act, 2004 clearly state that subject to the provisions contained in any other law for the time being in force, any person, who desires to establish a Minority Educational Institution may apply to the competent authority for the grant of No Objection Certificate for the said purpose.

Where within a period of 90 days from the receipt of the application, if the competent authority does not grant NOC or application has been rejected but not communicated to the applicant, it shall be deemed that NOC has been granted and the applicant can file an application for grant of MSC straightaway to this Commission.

The Hon'ble Supreme Court in Civil Appeal No. 3945 of 2018 in case of Sisters of St. Joseph of Cluny vs. The State of West Bengal and Ors. vide order dated 18.04.2018, has held that any person who desires to establish a minority educational institution after the amendment Act of 2006 came into force, must apply only to the competent authority for grant of No Objection Certificate for the said purpose.

Since no proper reply was received from the respondent, the Commission vide order dated 7.8.2024, physical inspection committee was constituted for inspecting the petition institution but no physical inspection report has been received till now.

The respondent has not murmured a single word with regard to the receipt and further process of the application for No Objection Certificate filed by the petitioner institution and sent internal communication dated 24.07.2024 which was received on 8.8.2024 from Superintendent PS for Director Secondary Education, Haryana stipulating guidelines for obtaining minority status certificate.

Office is directed to send letter to the Chief Secretary, Government of Haryana with a request to direct the members of the Physical Inspection Committee for sending the physical inspection report positively before the next date of hearing. Copy of the petition be annexed with the said letter.

Office is also directed to issue reminder letter again by post and e-mail to the members of the Physical Inspection Committee for sending the physical inspection report positively before the next date of hearing. Copy of both the letters be furnished to the learned counsel for the petitioner for pursuing the matter.
