CASE NO. 58 OF 2024

Date: 24.07.2025

Present: Mr. Junais P., Advocate for the petitioner.
None for the respondent.

Despite sending clarification affidavit to the members of physical inspection committee in terms of order dated 30.04.2025, no reply received from them. Hence, the case is proceeded ex-parte against them.

Learned counsel for the petitioner is heard, perused the pleadings and documents.

Notarized copies of relevant documents are already on record i.e., Trust Deed and Supplementary Trust Deed of the Mount Zion Educational Trust, downloaded copy of letter of affiliation dated 22.04.2024 issued by the CBSE to the petitioner institution. Downloaded copy of Unique ID No. TN/2022/0313149 of the petitioner's trust as given by the Niti Aayog Portal NGO Darpan, copy of the application dated 18.10.2023 submitted before the State Competent authority for NOC alongwith postal receipt and its tracking report are also on record. He has filed original resolution of the General Body of the Trust in favour of Dr. Jonathan Preeth Jayabarathan, Chairman-cum-Managing Trustee of the said Trust, for obtaining MSC from this Commission. Learned counsel for the petitioner has also filed clarification affidavit.

Dr. Jonathan Preeth Jayabarathan, Chairman-cum-Managing Trustee of the said Trust, and authorized representative of petitioner institution has also filed his affidavit in support of the averments made in the petition and also to prove that the beneficiaries of the petitioner institution are members of the Christian minority community.

As per the information supplied by the unaided petitioner institution with regard to students' strength during the academic year 2021-22, it is mentioned that out of the total 1873 students, 121 students were from the Muslim minority community, 163 students were from the Christian minority community and 1589 students were Hindu. In the year 2022-23, it is mentioned that out of the total 2058 students, 163 students were from the Muslim minority community, 187 students were from the Christian minority community and 1708 students were from Hindu. In the year 2023-24, it is mentioned that out of the total 2203 students, 201 students were from the Muslim minority community, 178 students were from the Christian minority community, 02 students were from the Buddhist minority community and 1822 students were Hindu. It is relevant to mention here that during the academic year 2021-22, out of the total 74 teachers, 02 teachers were from the Muslim minority community, 23 teachers were from the Christian minority community and 49 teachers were Hindu. In the year 2022-23, out of the total 137 teachers, 05 teachers were from the Muslim minority community, 40 teachers were from the Christian minority community and 92 teachers were Hindu. In the year 2023-24, out of total 159 teachers, 05 teachers were from the Muslim minority community, 55 teachers were from the Christian minority community and 99 teachers were Hindu.

It is stated in the petition that on dated 18.10.2023, the petitioner institution has applied to the State Competent Authority for grant of NOC which was received by the State Competent Authority on 21.10.2023 and the same is still pending before the State Competent Authority. The State Competent Authority has not granted NOC in favour of the petitioner institution till now and also not rejected the said application and not communicated the same to the petitioner. After 90 days from the receipt of the application for grant of NOC,

the petitioner has filed this application for grant of MSC to this Commission straightway as per the provisions of Section 10 and 11(f) of National Commission for Minority Educational Institutions (in short 'NCMEI') Act, 2004.

After service of registered notice/email dated 06.03.2024, Director of Private Schools, Chennai, on behalf of the respondent has sent reply dated 26.04.2024 by post which was received by the Commission on 06.05.2024. In the reply filed by the respondent i.e. Director of Private Schools, Chennai, submitted that petitioner institution has filed application for grant of MSC. Minority Status is being granted by the State Government as per the guidelines stipulated in GO (MS) No. 375, School Education (X2) Department dated 12.10.1998 and GO (MS) No. 214 School Education (X2) Department dated 03.11.2008. It is stated that the management of the petitioner's school failed to produce the certificate issued by the Tahsildars concerned to ascertain that the educational institution satisfy additional guidelines including the guidelines prescribed in GO (MS) No. 375, School Education (X2) Department dated 12.10.1998 and GO (MS) No. 214 School Education (X2) Department dated 03.11.2008 and the claim of the petitioner is not maintainable either in law and the same is liable to be dismissed as devoid of merit. In these circumstances, it is prayed that the Commission may be pleased to take into account the objections of the respondent and suitable orders may be passed as per the Government orders.

Learned counsel for the petitioner filed subsequent pleadings and contended that the petitioner institution is a religious minority institution and run by the Mount Zion Educational Trust, which is a registered society, constituted by members of the Christian minority community primarily for the benefit of Christian minority community. On dated 18.10.2023, the petitioner institution had submitted an application for grant of NOC under Section 10 of the NCMEI Act, 2004 before the respondent. After the completion of 90 days from the date of receipt of the said application the petitioner institution applied for MSC before this Commission and this case is a fit case for intervention by this Commission. This Commission is functioning as per the NCMEI Act, 2004 read with the judicial pronouncements of the Apex Court for the purpose of declaration of MSC. Petitioner institution had applied for grant of NOC whereas the reply filed by the respondent does not even murmured a single word with regard to the receipt and further process of the said application for NOC, which is duly received by the respondent. In its reply, respondent has referred a couple of GOs like 375 dated 12.10.1998 and 214 dated 03.11.2018 with the regard to the issuance of MSC by the State of Tamil Nadu. None of Government orders are dealing with the issuance of NOC under Section 10 of the NCMEI Act, 2004, so instant case is a fit case for interference by this Commission. Hon'ble Supreme Court in Sisters of St. Joseph of Cluny Vs. The State of West Bengal (Civil No. 3945 of 2018) decision dated 18.04.2018 in which Hon'ble Supreme Court has settled the law with regard to the applicability of Section 10 and 11 of the NCMEI Act, 2004 and in view of the said pronouncement of the Hon'ble Supreme Court the stand taken by the respondent will not survive in the eye of law and therefore, prayed that this Commission may issue MSC to the petitioner institution in the interest of justice and equity.

Thereafter in the facts and circumstances of the case, Commission deemed fit and proper that physical inspection report alongwith recommendation may be obtained from the Committee constituted by this Commission for issuance of MSC to the petitioner institution vide order dated 23.04.2024, after service of letter/ email to the physical inspection committee dated 26.06.2024, 28.08.2024 and 17.10.2024. The District Collector, Pudukkottai Dist., T.N. has sent physical inspection report dated 10.10.2024, which was received in the Commission's Office on dated 23.10.2024 wherein members of the physical inspection committee has not recommended the Commission to grant minority status certificate to the petitioner institution but has not given any adverse remarks. It is relevant to mention here that as per physical inspection report in the petitioner institution during the academic year 2024-25, out of the total number of 2196 students, 187 students were from the Christian minority community, which is 8.5%, which is more than the state census of 2011 i.e. 6.12%.

The petitioner institution has applied for grant of minority status certificate on the ground that the same has been established primarily for the benefit of the members of the Christian minority community and is being administered by the Mount Zion Educational Trust, which is managed and run by the members of the Christian minority community. The aforesaid averments made in the petition find ample corroboration from the documentary evidence produced on behalf of the petitioner institution and the affidavit of Dr. Jonathan Preeth Jayabarathan, Chairman-cum-Managing Trustee of the said Trust, and authorized representative of petitioner institution.

Hon'ble Apex Court, various High Courts as well as this Commission in case of Buckley Primary School, Cuttack, Orissa Vs. Government of Orissa (order passed by this Commission in Case No. 1320 of 2009 dated 06.07.2010) have categorically held that the percentage of admission of students from notified minority community in a minority educational institution is not an indicia for determining the minority status of such institution. This Commission has also decided that there must be reasonable strength of students of particular minority community in a minority educational institution. The percentage could be determined based on the actual proportion of specific minority community in the State population as per prevailing census. Population of Christian minority community in the State of Tamil Nadu as per the census of 2011 is 6.12%.

I have perused the Supplementary Trust Deed of the petitioner trust, which was registered before the Sub Registrar, Pudukkottai, on dated 07.03.2022, which is before the filing of NOC application U/s 10 of the NCMEI Act, 2004 dated 18.10.2023 and petition for grant of MSC on dated 29.01.2024.

The Supplementary Trust Deed dated 27.09.2023 of the said society and all the documents produced by the petitioner institution clearly reflect that the beneficiaries of the petitioner institution are primarily the members of the Christian minority community. In addition, the said fact also stands proved from the documents and affidavit filed by the petitioner. There is no document on record to rebut the documentary evidence produced on behalf of the petitioner institution before this Commission.

Relying on the said unrebutted evidence produced on behalf of the petitioner, we find and hold that the Mount Zion International School, Lena Vilakku, Pilivilam (Post), Thirumayam (TK), Pudukkottai, T.N., run by the Mount Zion Educational Trust, is eligible for grant of minority status on religious basis. The evidence also proves that the said educational institution was established with the main objective of sub-serving the interests of the Christian minority community.

Consequently, Mount Zion International School, Lena Vilakku, Pilivilam (Post), Thirumayam (TK), Pudukkottai, T.N., is declared as an unaided minority educational institution covered under Article 30 of the Constitution of India within the meaning of Section 2(g) of the National Commission for Minority Educational Institutions Act, 2004 subject to the condition that the petitioner would file an affidavit or undertaking to the fact that the petitioner institution shall not deny admission of eligible candidate of the Christian minority community subject to the eligibility of the students and availability of the accommodation in the petitioner institution. If the petitioner institution failed to comply the above order of this Commission within a period of three months from the date of order passed by this Commission then the petition filed by the petitioner for grant of MSC will be automatically deemed to be dismissed.

After compliance of the above order, a minority status certificate be issued accordingly.

In view of the above, the present petition is disposed of in accordance with this order.
