CASE NO. 121 OF 2023

Date: 05.08.2025

Present: Mr. Junais P., Advocate for the petitioner.
None for the respondent.

Learned counsel for the petitioner is heard, perused the pleadings and documents.

Notarized copies of relevant documents are already on record i.e., Trust Deed and Supplementary Trust Deed of the Abdul Gafur Ansari Education Trust. Downloaded copy of Letter of Affiliation dated 26.04.2023 of the petitioner institution issued by the CBSE. Downloaded copy of Unique ID No. JH/2020/0268039 of the petitioner's trust as given by the Niti Aayog Portal NGO Darpan. Copy of the application dated 19.09.2022 submitted before the State Competent authority for NOC alongwith postal receipt and its tracking report are also on record. He has filed original Board Resolution of the Governing Body of the said Trust in favour of Mr. Zaki Arfin, Secretary of the said Trust, for obtaining MSC from this Commission.

Mr. Zaki Arfin, Secretary of the said Trust, and authorized representative of petitioner institution has filed his affidavit in support of the averments made in the petition and also to prove that the beneficiaries of the petitioner institution are members of the Muslim minority community. He has also filed his comprehensive affidavit.

As per the information supplied by the unaided petitioner institution with regard to students' strength during the academic year 2021-22 out of the total 131 students, 92 students were from the Muslim minority community and 39 students were Hindu. During the academic year 2022-23, out of the total 516 students, 198 students were from the Muslim minority community and 318 students were Hindu. It is relevant to mention here that in the academic year 2021-22, out of the total 28 teachers, 04 teachers were from the Muslim minority community, 01 teacher was from Christian minority community and 23 teachers were Hindu. In the academic year 2022-23, out of the total 33 teachers 05 teachers were from the Muslim minority community, 01 teacher was from the Christian minority community and 27 teachers were Hindu.

It is stated in the petition that on dated 19.09.2022, the petitioner institution has applied to the State Competent Authority for grant of NOC which was received by the State Competent Authority on 22.09.2022 and the same is still pending before the State Competent Authority. The State Competent Authority has not granted NOC in favour of the petitioner institution till now and also not rejected the said application and not communicated the

same to the petitioner. After 90 days from the receipt of the application for grant of NOC, the petitioner has filed this application for grant of MSC to this Commission straightway as per the provisions of Section 10 and 11(f) of National Commission for Minority Educational Institutions (in short 'NCMEI') Act, 2004.

After service of registered notice/email dated 28.11.2023, no reply/ response has been received from the respondent. Thereafter in the facts and circumstances of the case, Commission deemed fit and proper that physical inspection report alongwith recommendation may be obtained from the Committee constituted by this Commission for issuance of MSC to the petitioner institution vide order dated 15.02.2024, after service of letter/ email to the physical inspection committee dated 21.02.2024, 25.06.2024, 05.09.2024, 04.11.2024, 24.01.2025, 04.04.2025 and 12.06.2025. The Deputy Commissioner, Bokaro, has sent physical inspection report dated 20.03.2025, which was received in the Commission's Office on dated 02.07.2025 wherein members of the physical inspection committee have recommended the Commission to grant minority status certificate to the petitioner institution.

The petitioner institution has applied for grant of minority status certificate on the ground that the same has been established primarily for the benefit of the members of the Muslim minority community and is being administered by the Abdul Gafur Ansari Education Trust, which is managed and run by the members of the Muslim minority community. The aforesaid averments made in the petition find ample corroboration from the documentary evidence produced on behalf of the petitioner institution and the affidavit of Mr. Zaki Arfin, Secretary of the said Trust, and authorized representative of petitioner institution.

Hon'ble Apex Court, various High Courts as well as this Commission in case of Buckley Primary School, Cuttack, Orissa Vs. Government of Orissa (order passed by this Commission in Case No. 1320 of 2009 dated 06.07.2010) have categorically held that the percentage of admission of students from notified minority community in a minority educational institution is not an indicia for determining the minority status of such institution. This Commission has also decided that there must be reasonable strength of students of particular minority community in a minority educational institution. The percentage could be determined based on the actual proportion of specific minority community in the State population as per prevailing census. Population of Muslim minority community in the State of Jharkhand as per the census of 2011 is 14.53%.

I have perused the Supplementary Trust Deed of the petitioner trust, which was registered before the Sub Registrar, Bokaro, on dated 29.09.2023, which is before the filing of NOC application U/s 10 of the NCMEI Act, 2004 dated 19.09.2022 and petition for grant of MSC on dated 04.05.2023.

The aforesaid Supplementary Trust Deed of the said Trust and all the documents produced by the petitioner institution clearly reflect that the beneficiaries of the petitioner institution are primarily the members of the Muslim minority community. In addition, the said fact also stands proved from the documents and affidavit filed by the petitioner. There is no document on record to rebut the documentary evidence produced on behalf of the petitioner institution before this Commission.

Relying on the said un rebutted evidence produced on behalf of the petitioner, we find and hold that the Samford International Academy, Dahitand, Jaridih, Jainamore, Bokaro, Jharkhand, run by the Abdul Gafur Ansari Education Trust, is eligible for grant of minority status on religious basis. The evidence also proves that the said educational institution was established with the main objective of sub-serving the interests of the Muslim minority community.

Consequently, Samford International Academy, Dahitand, Jaridih, Jainamore, Bokaro, Jharkhand, is declared as an unaided minority educational institution covered under Article 30 of the Constitution of India within the meaning of Section 2(g) of the National Commission for Minority Educational Institutions Act, 2004 subject to the condition that the petitioner would file an affidavit or undertaking to the fact that the petitioner institution shall not deny admission of eligible candidate of the Muslim minority community subject to the eligibility of the students and availability of the accommodation in the petitioner institution. If the petitioner institution failed to comply the above order of this Commission within a period of three months from the date of order passed by this Commission then the petition filed by the petitioner for grant of MSC will be automatically deemed to be dismissed.

After compliance of the above order, a minority status certificate be issued accordingly.

In view of the above, the present petition is disposed of in accordance with this order.
