CASE NO. 195 OF 2024

Date: 16.09.2025

Present: Mr. Junais P., Advocate for the petitioner.
None for the respondent.

On 11.08.2025, physical inspection report has been received by post from the Collector and District Magistrate, Kurnool, which is taken on record.

It is stated against column no. 13 of the said report that the percentage of students belong to the Christian minority community in Vimala (EM) High School, Yerraguntla (V) is less than the Hindu community students. It is also stated that during the academic year 2023-24, out of 941 students, only 02 students were from the Christian minority community. In the academic year 2024-25, out of 948 students, 01 student was from the Christian minority community and in the academic year 2025-26 out of 951 students, 01 student was from the Christian minority community.

On the contrary, the application for minority status certificate filed by the petitioner clearly reveals that during the academic year 2023 -24, out of 938 students, 173 students are from the Christian minority community.

There is a variance between proof and pleading. Learned counsel for the petitioner is directed to clarify the said inconsistency by filing counter affidavit. Let the same be filed within two weeks.

After receipt of the said counter affidavit from the learned counsel for the petitioner, office is directed to send the same to members of the physical inspection committee for filing their reply.
