The State Competent Authority has not granted NOC in favour of the petitioner institution till now and also not rejected the said application and not communicated the same to the petitioner. After 90 days from the receipt of the application for grant of NOC, the petitioner has filed this petition for grant of MSC to this Commission straightway as per the provisions of Section 10 and 11(f) of National Commission for Minority Educational Institutions (in short 'NCMEI') Act, 2004.
6. Despite service of registered notice / email dated 24.03.2025, no reply /response has been received from the respondent. Thereafter in the facts and circumstances of the case, Commission deemed fit and proper that physical inspection report alongwith recommendation may be obtained from the Committee constituted by this Commission for issuance of MSC to the petitioner institution vide order dated 20.05.2025. After service of letters/emails to the physical inspection committee dated 05.06.2025, Physical Inspection Committee, has sent report which was received by post in the Commission's Office on dated 10.07.2025 which was duly signed by members of the physical Inspection Committee wherein they have recommended to grant minority status certificate to the petitioner institution.
7. Heard the Learned Counsel for the petitioner, perused the pleading of the petition, the documents filed by the petitioner and affidavit of Fr. Denis D' Souza, Secretary of the Catholic Diocese of Jhansi Education Society.
8. Hon'ble Apex Court, various High Courts as well as this Commission in case of Buckley Primary School, Cuttack, Orissa Vs. Government of Orissa (order passed by the Commission in Case No. 1320 of 2009 dated 6.7.2010) have categorically held that the percentage of admission of students from notified minority community in a minority educational institution is not an indicia for determining the minority status of such institution. This Commission has also decided that there must be reasonable strength of students of particular minority community in a minority educational institution. The percentage could be determined based on the actual proportion of specific minority community

in the State population as per prevailing census. Population of Christian minority community in the State of Uttar Pradesh as per the census of 2011 is 0.18%.

9. The petitioner institution has applied for grant of minority status certificate on the ground that the same has been established primarily for the benefit of the members of the Christian minority community and is being administered by Catholic Diocese of Jhansi Education Society which is managed and run by the members of the Christian minority community. The aforesaid averments made in the petition find ample corroboration from the documentary evidence produced on behalf of the petitioner institution and the affidavit of Fr. Denis D' Souza, Secretary of the Catholic Diocese of Jhansi Education Society.
10. I have perused the Amended Memorandum of Association of the petitioner institution which was registered before the Assistant Registrar of Societies on dated 03.11.2015 which is before the filing of NOC applications U/s 10 of the NCMEI Act, 2004 dated 19.10.2024 and petition for grant of MSC on dated 29.01.2025. So it is clear that the amendment has been done before the application filed before the State Competent Authority U/s 10 of the NCMEI Act, 2004 and also petition for grant of MSC before this Commission.
11. The Amended Memorandum of Association dated 03.11.2015 and all the documents produced by the petitioner institution clearly reflects that the beneficiaries of the petitioner institution are primarily the members of the Christian minority community. In addition, the said facts also stands proved from the documents and affidavit filed by the petitioner. There is no document on record to rebut the documentary evidence produced on behalf of the petitioner institution.
12. Relying on the said un rebutted evidence produced on behalf of the petitioner, we find and hold that St. Lawrence School, Mehroni, Lalitpur District, Uttar Pradesh- 284405 run by Catholic Diocese of Jhansi Education Society is eligible for grant of minority status on religious basis. The evidence also proves that the said educational institution was established with the main objective of sub-serving the interests of the Christian minority community.
13. Consequently, St. Lawrence School, Mehroni, Lalitpur District, Uttar Pradesh- 284 405 is declared as an unaided minority educational institution covered under Article 30 of the Constitution of India within the meaning of Section 2(g) of the National Commission for Minority Educational Institutions Act, 2004.
14. A minority status certificate be issued accordingly.
15. In view of the above, the present petition is disposed of in accordance with this order.

Signed, pronounced and published on **Thursday, 13th Day of November, 2025.**
