5. It is stated in the petition that on dated 08.07.2022, the petitioner institution has applied to the State Competent Authority for grant of NOC which was received by the State Competent Authority on 11.07.2022 and the said application is still pending before the State Competent Authority. The State Competent Authority has not granted NOC in favour of the petitioner institution till now and also not rejected the said application and not communicated the same to the petitioner. After 90 days from the receipt of the application for grant of NOC, the petitioner has filed this petition for grant of MSC to this Commission straightway as per the provisions of Section 10 and 11(f) of National Commission for Minority Educational Institutions (in short 'NCMEI') Act, 2004.
6. After service of registered notice to the respondent dated 27.12.2022, 24.09.2024 and 03.09.2025, Director of Private Schools, Chennai-6, on behalf of the respondent has sent reply dated 08.05.2024 by post which was received by the Commission on 19.06.2024. In the said replies it is stated by the respondent that petitioner institution has filed application for grant of MSC. Minority Status is being granted by the State Government as per the guidelines stipulated in GO (MS) No. 375, School Education (X2) Department dated 12.10.1998 and GO (MS) No. 214 School Education (X2) Department dated 03.11.2008. It is stated that the management of the petitioner's school failed to produce the certificate issued by the Tahsildars concerned to ascertain that the educational institution satisfy additional guidelines including the guidelines prescribed in GO (MS) No. 375, School Education (X2) Department dated 12.10.1998 and GO (MS) No. 214 School Education (X2) Department dated 03.11.2008 and the claim of the petitioner is not maintainable either in law and the same is liable to be dismissed as devoid of merit. In these circumstances, it is prayed that the Commission may be pleased to take into account the objections of the respondent and suitable orders may be passed as per the Government orders. Thereafter Commission deemed to fit and proper that Physical inspection report alongwith recommendation may be obtained from the Committee constituted by this Commission for issuance of MSC to the petitioner institution vide order dated 02.03.2023. After service of letter/emails to the physical inspection committee dated 13.03.2023 and reminders dated 22.06.2023, 15.09.2023, 24.11.2023, 12.01.2024, 20.03.2024 and 10.07.2024, Physical Inspection Committee, has sent report which was received by post in the Commission's Office on dated 10.09.2024 which was duly signed by members of the physical Inspection Committee wherein they have recommended to grant minority status certificate to the petitioner institution.
7. Learned counsel for the petitioner filed subsequent pleadings and contended that the petitioner institution is a religious minority institution and run by the The Nilgiris St. Joseph's Sisters Society, which is a registered Society, constituted by members of the Christian minority community primarily for the

benefit of Christian minority community. On dated 08.07.2022, the petitioner institution had submitted an application for grant of NOC under Section 10 of the NCMEI Act, 2004 before the respondent. After the completion of 90 days from the date of receipt of the said application the petitioner institution applied for MSC before this Commission. This Commission is functioning as per the NCMEI Act, 2004 and its amendments read with the judicial pronouncements of the Apex Court for the purpose of declaration of MSC. Petitioner institution had applied for grant of NOC whereas the reply filed by the respondent does not even murmured a single word with regard to the receipt and further process of the said application for NOC, which is duly received by the respondent. In its reply, respondent has referred a couple of GOs like 375 dated 12.10.1998 and 214 dated 03.11.2008 with the regard to the issuance of MSC by the State of Tamil Nadu. None of Government orders are dealing with the issuance of NOC under Section 10 of the NCMEI Act, 2004, so instant case is a fit case for interference by this Commission. Hon'ble Supreme Court in Sisters of St. Joseph of Cluny Vs. The State of West Bengal (Civil No. 3945 of 2018) decision dated 18.04.2018 in which Hon'ble Supreme Court has settled the law with regard to the applicability of Section 10 and 11 of the NCMEI Act, 2004 and in view of the said pronouncement of the Hon'ble Supreme Court the stand taken by the respondent will not survive in the eye of law and therefore, prayed that this Commission may issue MSC to the petitioner institution in the interest of justice and equity.

8. Heard Learned Counsel for the petitioner, perused the pleading of the petition, the documents filed by the petitioner and affidavit of Sr. Arockia Selva, Secretary of The Nilgiris St. Joseph's Sisters Society.
9. The petitioner institution has applied for grant of minority status certificate on the ground that the same has been established primarily for the benefit of the members of the Christian minority community and is being administered by The Nilgiris St. Joseph's Sisters Society which is managed and run by the members of the Christian minority community. The aforesaid averments made in the petition find ample corroboration from the documentary evidence produced on behalf of the petitioner institution and the affidavit of Sr. Arockia Selva, Secretary of The Nilgiris St. Joseph's Sisters Society.
10. The respondent has not replied properly to the application submitted by the petitioner institution. Respondent has also failed to appreciate the provisions of NCMEI Act, 2004 especially under Section 10 of the Act and filed reply wrongly before this Commission. The petitioner has not applied for grant of MSC before the State Competent Authority. Petitioner has applied for grant of NOC under Section 10 of the NCMEI Act, 2004 before the State Competent Authority. So the guidelines of the Government of Tamil Nadu have not applied to the present petitioner institution. In the facts and circumstances of the present case the stand taken by the respondent is not tenable in the eye of law and deserved to be ignored.
11. The petitioner has fulfilled all the criteria for grant of MSC. The competent authority has failed to consider their application for grant of NOC. To obtain minority status certificate is a constitutional right of minority educational institution. The petitioner institution is established and administered by the members of the Christian minority community. The reply filled by the respondent is clearly against the verdict of Hon'ble Apex Court in the matter of SISTERS of ST. JOSEPH OF CLUNY V/S THE STATE OF WEST BENGAL & ORS (Civil Appeal No. 3945/2018), judgment dated 18.04.2018, which reads as follows: -

“However, Section 10(1), which was introduced at the same time as Section 11(f) by the Amendment Act of 2006, Carves out one facet of the aforesaid power contained in Section 11(f), namely the grant of a no objection certificate to a minority educational institution at its inception. Thus, any person who desires to establish a minority educational institution after the Amendment Act of 2006 came into force, must apply only to the competent authority for the grant of a no objection certificate for the said purpose. It is a little difficult to subscribe to Shri Hedge’s argument that the said powers are concurrent. Harmoniously read, all applications, for the establishment of a minority educational institution after the Amendment Act of 2006 must go only to the competent authority set up under the statute. On the other hand, for the declaration of its status a minority educational institution at any state post establishment, the NCMEI would have the power to decide the question and declare such institution’s minority status.”

12. As per the Provisions of Section 10, Section 12A and Section 12B of the NCMEI Act, 2004, the person who desires to establish minority institution, is to apply to the State Competent Authority for grant of NOC for the said purpose under Section 10 of the NCMEI Act, 2004. The Act of 2004 also conferred powers of appeal against the orders of the Competent authority of the State to the NCMEI under Section 12A as well as over the authorities that were established by the Central Government or State Government which reject the application for grant of MSC to an educational institution under Section 12B of the NCMEI Act, 2004.
13. Looking to the provisions of the NCMEI Act, 2004 and verdict of the Hon’ble Supreme Court, this Commission has both jurisdictions original as well as appellate. Any educational institution who desires to establish minority educational institution has two options. Firstly, the institution can apply before an authority established by the Central Government or any State Government, Union Territory as the case may be for grant of MSC to any educational institution and if above authority rejects the application for grant of MSC, the aggrieved person may appeal against such order of the authority to this Commission under Section 12B of the NCMEI Act, 2004. Secondly, under Section 10 of NCMEI Act, 2004 whoever desires to establish an minority educational institution has to apply the competent authority of the State Government for grant of NOC within a period of 90 days from the receipt of the application, if competent authority does not grant NOC or application has been rejected but not communicated to the petitioner it shall be deemed that NOC has been granted and the petitioner can filed an application for grant of MSC straightway to this Commission. Any person aggrieved by the order of refusal to grant NOC by the competent authority may prefer an appeal before this Commission under Section 12A of NCMEI Act, 2004.
14. In my opinion educational institution can opt one course, either to file an application for grant of MSC before the State Competent Authority or to file an application for grant of NOC. In the present case petitioner has applied

for grant of NOC to the State Competent Authority and the said application is still pending as per the contention of the petitioner institution. The petitioner has not filed any application for grant of MSC before the State Competent Authority, so the GO's as mentioned in the reply of the respondent have no relevance in the present case.

15. Hon'ble Apex Court, various High Courts as well as this Commission in case of Buckley Primary School, Cuttack, Orissa Vs. Government of Orissa (order passed by the Commission in Case No. 1320 of 2009 dated 6.7.2010) have categorically held that the percentage of admission of students from notified minority community in a minority educational institution is not an indicia for determining the minority status of such institution. This Commission has also decided that there must be reasonable strength of students of particular minority community in a minority educational institution. The percentage could be determined based on the actual proportion of specific minority community in the State population as per prevailing census. Population of Christian minority community in the State of Tamil Nadu as per the census of 2011 is 6.12%.
16. I have perused the Amended Memorandum of Association of the petitioner institution which was registered before the Registrar of Societies, Udthagamandalam on dated 05.02.2015 which is before the filing of NOC application U/s 10 of the NCMEI Act, 2004 dated 08.07.2022 and petition for grant of MSC on dated 02.11.2022. So it is clear that the amendment has been done before the application filed before the State Competent Authority U/s 10 of the NCMEI Act, 2004 and also petition for grant of MSC before this Commission.
17. The Amended Memorandum of Association dated 05.02.2015 and all the documents produced by the petitioner institution clearly reflect that the beneficiaries of the petitioner institution are primarily the members of the Christian minority community. In addition, the said facts also stand proved from the documents and affidavit filed by the petitioner. There is no document on record to rebut the documentary evidence produced on behalf of the petitioner institution.
18. Relying on the said un rebutted evidence produced on behalf of the petitioner, we find and hold that St. Joseph's Matriculation School, Alampatti Village, Saidapatti Road, Thirali Post, Tirumangalam Taluk, Madurai District, Tamil Nadu – 625 706 run by The Nilgiris St. Joseph's Sisters Society is eligible for grant of minority status on religious basis. The evidence also proves that the said educational institution was established with the main objective of sub-serving the interests of the Christian minority community.
19. Consequently, St. Joseph's Matriculation School, Alampatti Village, Saidapatti Road, Thirali Post, Tirumangalam Taluk, Madurai District, Tamil Nadu – 625 706 is declared as an unaided minority educational institution covered under Article 30 of the Constitution of India within the meaning of Section 2(g) of the National Commission for Minority Educational Institutions Act, 2004.
20. A minority status certificate be issued accordingly.
21. In view of the above, the present petition is disposed of in accordance with this order.
