7. Heard the learned counsel for the petitioner, perused the pleading of the petition, the documents filed by the petitioner and affidavit of Mr. Thomas Narah, Secretary of St. Thomas Church Shantipur.
8. Hon'ble Apex Court, various High Courts as well as this Commission in case of Buckley Primary School, Cuttack, Orissa Vs. Government of Orissa (order passed by the Commission in Case No. 1320 of 2009 dated 6.7.2010) have categorically held that the percentage of admission of students from notified minority community in a minority educational institution is not an indicia for determining the minority status of such institution. This Commission has also decided that there must be reasonable strength of students of particular minority community in a minority educational institution. The percentage could be determined based on the actual proportion of specific minority community in the State population as per prevailing census. Population of Christian minority community in the State of Assam as per the census of 2011 is 3.74%.
9. The petitioner institution has applied for grant of minority status certificate on the ground that the same has been established primarily for the benefit of the members of the Christian minority community and is being administered by St. Thomas Church Shantipur which is managed and run by the members of the Christian minority community. The aforesaid averments made in the petition find ample corroboration from the documentary evidence produced on behalf of the petitioner institution and the affidavit of Mr. Thomas Narah, Secretary of St. Thomas Church Shantipur.
10. I have perused the Memorandum of Association of the petitioner institution which was registered before the Registrar of Firms and Societies, Dispur, Assam on dated 22.08.2022 which is before the filing of NOC applications U/s 10 of the NCMEI Act, 2004 dated 09.08.2023 and petition for grant of MSC on dated 15.12.2023.
11. The Memorandum of Association dated 22.08.2022 for the petitioner society and all the documents produced by the petitioner institution clearly reflects that the

beneficiaries of the petitioner institution are primarily the members of the Christian minority community. In addition, the said facts also stands proved from the documents and affidavit filed by the petitioner. There is no document on record to rebut the documentary evidence produced on behalf of the petitioner institution.

12. Relying on the said un rebutted evidence produced on behalf of the petitioner, we find and hold that St. Thomas High School, Shantipur P.O., Tinsukia, Assam – 786157 run by St. Thomas Church Shantipur is eligible for grant of minority status on religious basis. The evidence also proves that the said educational institution was established with the main objective of sub-serving the interests of the Christian minority community.
13. Consequently, St. Thomas High School, Shantipur P.O., Tinsukia, Assam – 786157 is declared as an unaided minority educational institution covered under Article 30 of the Constitution of India within the meaning of Section 2(g) of the National Commission for Minority Educational Institutions Act, 2004.
14. A minority status certificate be issued accordingly.
15. In view of the above, the present petition is disposed of in accordance with this order.

Signed, pronounced and published on **Thursday, 16th Day of JULY, 2026.**
