7. Heard the learned counsel for the petitioner, perused the pleading of the petition, the documents filed by the petitioner and affidavit of Rev. Baskar Jesuraj Maria, President of Gyan Deep Education Society.
8. Hon'ble Apex Court, various High Courts as well as this Commission in case of Buckley Primary School, Cuttack, Orissa Vs. Government of Orissa (order passed by the Commission in Case No. 1320 of 2009 dated 6.7.2010) have categorically held that the percentage of admission of students from notified minority community in a minority educational institution is not an indicia for determining the minority status of such institution. This Commission has also decided that there must be reasonable strength of students of particular minority community in a minority educational institution. The percentage could be determined based on the actual proportion of specific minority community in the State population as per prevailing census. Population of Christian minority community in the State of Uttar Pradesh as per the census of 2011 is 0.18%.

9. The petitioner institution has applied for grant of minority status certificate on the ground that the same has been established primarily for the benefit of the members of the Christian minority community and is being administered by Gyan Deep Education Society which is managed and run by the members of the Christian minority community. The aforesaid averments made in the petition find ample corroboration from the documentary evidence produced on behalf of the petitioner institution and the affidavit of Rev. Baskar Jesuraj Maria, President of Gyan Deep Education Society.
10. I have perused the Amended Memorandum of Association of the petitioner institution which was registered before the Registrar, Firms Societies and Chits, Meerut on dated 09.11.2023 which is before the filing of NOC applications U/s 10 of the NCMEI Act, 2004 dated 19.01.2024 and petition for grant of MSC on dated 15.05.2024. So it is clear that the amendment has been done before the application filed before the State Competent Authority U/s 10 of the NCMEI Act, 2004 and also petition for grant of MSC before this Commission.
11. The Amended Memorandum of Association dated 09.11.2023 for the petitioner society and all the documents produced by the petitioner institution clearly reflects that the beneficiaries of the petitioner institution are primarily the members of the Christian minority community. In addition, the said facts also stands proved from the documents and affidavit filed by the petitioner. There is no document on record to rebut the documentary evidence produced on behalf of the petitioner institution.
12. Relying on the said un rebutted evidence produced on behalf of the petitioner, we find and hold that St. Mary's School, Dhanori, Tehsil Swar, Rampur, Uttar Pradesh - 244 924 run by Gyan Deep Education Society is eligible for grant of minority status on religious basis. The evidence also proves that the said educational institution was established with the main objective of sub-serving the interests of the Christian minority community.
13. Consequently, St. Mary's School, Dhanori, Tehsil Swar, Rampur, Uttar Pradesh - 244 924 is declared as an unaided minority educational institution covered under Article 30 of the Constitution of India within the meaning of Section 2(g) of the National Commission for Minority Educational Institutions Act, 2004.
14. A minority status certificate be issued accordingly.
15. In view of the above, the present petition is disposed of in accordance with this order.

Signed, pronounced and published on **Wednesday, 16th Day of September, 2026.**
