An application under Section 12C NCMEI Act, 2004 has been received on 01.10.2020 by post from Asaf Ali, Secretary Amanat Ali Inter College, Edalhatu, Bundu, Ranchi, Jharkhand for cancellation of Minority Status Certificate issued in favour of Amanat Ali Inter College, Edalhatu, Bundu, Ranchi, Jharkhand in case no 2397/2014.

Under Section 12C NCMEI Act, 2004, Power to cancel. —

“The Commission may, after giving a reasonable opportunity of being heard to a Minority Educational Institution to which minority status has been granted by an authority or Commission, as the case may be, cancel such status under the following circumstances, namely:-

(a) if the constitution, aims and objects of the educational institution, which has enabled it to obtain minority status has subsequently been amended in such a way that it no longer reflects the purpose or character of a Minority Educational Institution;

(b) if, on verification of the records during the inspection or investigation, it is found that the Minority Educational Institution has failed to admit students belonging to the minority community in the institution as per rules and prescribed percentage governing admissions during any academic year”.

Hon'ble Apex Court, various High Courts as well as this Commission in case of Buckley Primary School, Cuttack, Orissa Vs. Government of Orissa (order passed by this Commission in Case No. 1320 of 2009 dated 06.07.2010) have categorically held that the percentage of admission of students from notified minority community in a minority educational institution is not an indicia for determining the minority status of such institution. This Commission has also decided that there must be reasonable strength of students of particular minority community in a minority educational institution. The percentage could be determined based on the actual proportion of specific minority community in the State population as per prevailing census. Population of Muslim minority community in the State of Uttar Pradesh as per the census of 2011 is 14.53%.

The Memorandum of Association of clearly stated that the beneficiaries of the petitioner institution are primarily the members of the Muslim minority community.

As per physical inspection report received from District Education Officer/ Commissioner cum District Magistrate Ranchi, Jharkhand by post before the Commission's office on 23.02.2026, the percentage of minority institution Amanat Ali Inter College, Edalhatu, Bundu, Ranchi, Jharkhand, is 1.49% in 2023-2024, 1.23% in 2024-2025 and 1.19% in 2025-2026, which is less than the State percentage is 14.53%.

A written submission on the behalf of petitioner has been filed before court of the Commission, the same is taken on record.

Heard the parties. Pleadings are complete. Reserved for orders.
