Changes in model solution after considering challenges

After considering challenges, following changes in the model solution were approved:

Sl. No.	Question ID	Reason	Resolution
1	461204270	Misinformation in the question: It should be $x = \pi$ in stead of $t = \pi$	Drop out
2	461204315	No correct option: Answer is $\sqrt{53}$	Drop out
3	461204328	Incomplete question: No. of women is missing	Drop out

The rest of them are defended from NIMCET-25 side.
