MAHARASHTRA STATE LOTTERY

Introduction of Program :

About 56 years ago, the Maharashtra government decided to run the state lottery in a different context. Around 1968-69, a large number of gambling called Matka were played in and around Mumbai city and it was played by a large number of poor people. The gamblers were exploiting the poor. The common man was ruined in the lust for money. The Maharashtra State Lottery was launched on 12 April 1969 with the symbol of Gajalakshmi, with the dual objective of curbing gambling and raising funds for nation building without wasting public money. Hence state established the lottery board under the control of Finance department. Since then the lottery draw is conducted by the Commissioner, Maharashtra State Lottery.

The Commissioner, Maharashtra State Lottery have to perform following duties-

1. To bring various lottery tickets of Maharashtra State Lottery for sale in the market.
2. To study and amend the prize structure of all draws from time to time
3. Scrutiny of prize winning tickets above Rupees Ten thousands.
4. To monitor the progress of sale of lottery tickets and to devise measures including publicity for increase of sales.
5. To make a fair and convincing effort to build public confidence in the lottery.

In addition to the above, the Directorate has to perform many other important duties such as arrangement of draws, appointment of panel members for the draw. As soon as the draw is over and the result is announced, it is sent to the local newspaper for publication. In order to receive the prize money, the Deputy Director (Finance and Accounts), Vashi, Navi Mumbai Office, performs the preliminary inspection of the tickets with the official result. An official acknowledgment is given to the prize winner as an indication of submitting a ticket for scrutiny. These tickets are then sent to the Private Securities Press appointed by the government for printing lottery tickets for further scrutiny with the help of appropriate tests.
