Message

I am happy to learn that the Department of Disaster Management has brought out a compendium of comprehensive check list on the line of Incident Response System Guidelines issued by National Disaster Management Authority, government of India to enable disaster response.

I am sure that the stakeholders earmarked as per Incident Response System in the state government, corporate, agencies of Central government existing in our State as well as NGOs will refer these check list during preparedness and response phase of disaster.

On this occasion, I wish my best wishes to the Department of Disaster Management Government of Uttarakhand.

(Trivendra Singh Rawat)

GOVERNMENT OF UTTARAKHAND

Chief Secretary &
Chairman State Executive Committee
Government of Uttarakhand

Preface

In any disaster response, the initial efforts would always be taken by the Sub-Division and District Administration. However, when Sub-Divisions and District are overwhelmed in any situation, the support necessarily has to come from the State and National level. While the IRS is mainly relevant at the basic functional level, it is absolutely necessary that the support functionaries from the State also confirm to the principles of IRS in the emergency support duties. This will be greatly beneficial for the proper coordination of the various response efforts at the State level with that of the District.

The IRS envisages and lays down various tasks that may need to be performed and ensured by various members of activated Incident Response Teams at various levels of state administration. It also recommends prior identification of officers for the performance of different tasks and getting them trained in their respective roles, and provides a structure under which all the line departments will function in tandem with the Sub-division, District and State administration.

To attain efficiency in disaster response, the Check List has been prepared by the Department of Disaster Management, Government of Uttarakhand which will help various stakeholders (government and non-government) to "what to do and what not to do" during response phase of disaster.

I hope the effort put in place will strengthen the disaster response system in the state and district and will help to reduce human loss, gear up multi agency coordination and resource mobilisation as well their appropriate deployment within the golden hours of response.

Finally, I am pleased to place on record my deep appreciation for Shri Amit Singh Negi, IAS Secretary Disaster Management, Govt who has commendably steered the formulation of these check list.

(S. Ramaswamy)

Foreword

For preparation of this check list, I would like to express my gratitude to Shri S. Ramaswamy, IAS, Chief Secretary, Shri Arvind Singh Hyanki, IAS, Secretary PWD, Shri Sanjay Gungyal, IPS, IG, SDRF, Shri G.S. Martoliya, IPS, IC, Fire, Shri C.
