Dear Sir,

The Indian Statistical Institute (ISI) will be conducting its annual admission test on 18th July, 2021 (Sunday). It is planned to be conducted in the offline mode in several cities distributed all over India, including centre(s) in your state. A complete list of centres along with the maximum number of candidates is attached.

It is understood that some states are currently waiting for more favorable conditions before permitting educational institutions to conduct offline examinations. Unfortunately the timing of the admission test of ISI, an Institution of National Importance, could not be fine-tuned to the situation in all the different states at the same time. We are committed to making our admission test accessible to the students in all parts of India. We sincerely hope that the students of your state will not have to travel to another state to appear for our test. We seek your permission to conduct the test in the test centre(s) mentioned above.

ISI, through the administration of the test centres, will do its best to ensure that all safety protocols related to COVID-19, mandated by the Government of India through the Standard Operating Procedure (SOP) for conducting examinations and specified in MHRD OM no. F No. 16-16/2020U1A (dated July 6, 2020), are duly maintained inside the test centres.

Subject to your approval of conducting our admission test, we request you to advise the concerned administration in the area of the test centres to please cooperate.

With regards,

2579
