NATIONAL ENTRANCE SCREENING TEST - NEST 2021

एस. ए. डेस्क
सचिव

आपदा प्रबन्धन, लघु सिविल
सेल एवं युवा-विकास विभाग
उत्तराखण्ड शासन

National Institute of Science Education and Research, Bhubaneswar.

We are writing to you regarding the National Entrance Screening Test (NEST 2021) that was postponed in the month of June 2021 and rescheduled on 14th of August 2021 in the wake of the second wave of the COVID-19 pandemic. Conducting this examination is necessary to avoid the loss of an entire academic session, causing irreparable harm to the careers of thousands of students of our country. National Institute of Science Education and Research (NISER, Bhubaneshwar) and Centre for Excellence in Basic Sciences (CEBS, Mumbai), which are educational institutes under the Department of Atomic Energy, India, are conducting the NEST 2021 examination for undergraduate courses on 14th of August 2021 (9:00 AM onwards in two shifts) throughout the country. It is a Computer Based Test (CBT) which will be held as per advisories of the Government of India and the state governments on social distancing and sanitization. Some of the examination centres for the examination are located within your jurisdiction (List of examination centres is enclosed).

We seek support and facilitation from your office and district authorities under your jurisdiction for functioning of the examination centres and smooth movement of staff and candidates, particularly in view of the pandemic situation. We request your specific support for the following:

1. NEST 2021 entrance examination to be considered as an Essential Activity.
2. The examination centres should be allowed to remain open and operate for all activities related to the preparation and conducting of the examination to be held on 14th of August 2021.
3. Admit card (hall ticket) of NEST 2021 entrance examination along with a photo ID card of the candidates to be considered as equivalent of a curfew pass for movement for the purpose of examination to be held on 14th of August 2021 (sample copy of hall ticket is enclosed).
4. Movement of candidates from homes to examination centres and back may be facilitated.

5. The support staff/observers of NEST 2021 and industry partners involved in conducting the examination (Tata Consultancy Services (TCS)) should be permitted to travel (including on the day prior & the day after the examination) for the purpose of preparation and conducting of the Examination to be held on 14th of August 2021.

I hereby request you to kindly instruct the officers/staff under your jurisdiction to facilitate this process. I will be grateful if you could issue specific directions in this regard to all the field functionaries concerned, including the police forces. Thank you.

With regards,

Sincerely yours,

(Sudhakar Panda)
