B.L.D.R. Appeal No. 282/2012

Ram Janam Prasad

Vrs.

Musafir Singh & Ors.

ORDER

01-08-2015- This appeal case has been filed on 20.10.2012 and was admitted vide order dated 12.02.2013 and accordingly notice to parties were issued.

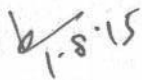

Today, this case has been taken up final argument. The learned counsel for the appellant states that this case may be dropped in view of the complex nature of dispute which relates to determination of title.

The learned counsel for the respondent also supported the views expressed by the learned counsel for the petitioner and submitted that this appeal case be dropped as this court is not competent to pass order in a case in which complex issue of determination of title is involved.

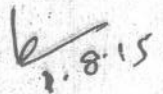

In view of the aforesaid submissions made by the learned counsel for the parties, I don't find any logic to hear this case when the contesting parties themselves are pressing for dropping this case on the point of maintainability and complexity of the dispute involve in the instant appeal.

Accordingly, this appeal is disposed of for the aforementioned reasons.

Dictated and corrected by me.
