As per file no.RCI-20011/20/2023-LEGAL, functioning of Legal Consultant has lead to the embarrassment of the office of the Rehabilitation Council of India and insubordination to the Chairperson, RCI who ordered vide Note # on the said file "Discussed with the Member Secretary this day. Taking into consideration the note #6 of Legal Consultant with detailed account of the case with recommendations to implement the decision of Hon'ble High Court at Ranchi, and the recommendations of Dy Director (P) vide note #7, further endorsed by Member Secretary vide note #8 to challenge the same, it would be appropriate to present the entire case before the Executive Committee for taking a considerate and uniform decision so as to avoid any conflicting view in the far reaching implications of the decision; especially as it has been learnt that some more petitioners have moved different High Courts. Meantime, the Hon'ble Court may be requested to enlarge time granted for implementation of the decision passed in WP No. 286 and 2517 of 2021. The EC may be urged to take a decision swiftly".

However, Legal Consultant could not get application filed before the Hon'ble High Court for enlargement of time within the stipulated period. Thus, Legal Consultant has not maintained devotion to his duties and also failed to maintain accountability and discipline while discharging his duties. Meanwhile, 16 new proposals from institutes seeking to conduct the programme were received and are currently under scrutiny by a screening committee, demonstrating the continued growth and expansion of the CBID Training Programme.

### **Meeting of TOT :**

Minutes of the Training of Trainers (TOT) programme to prepare the institutes approved for 3<sup>rd</sup> batch of CBID training programme held on January 25<sup>th</sup>, 2024 at 9:30 a.m. through Virtual Mode at Conference Room, RCI.

Following the completion of the second batch, Melbourne University recommended to modify the Study Learning Material. Prof. Lindsey and the Master Trainers made certain changes to the SLM. The primary objective of the Training of Trainers (TOT) program was to discuss the modifications made in the Study Learning Material (SLM) and to guide the institutes on how to teach these aspects.

Dr. Sandeep Tambe, Deputy Director of the Rehabilitation Council of India, warmly welcomed all master expert members and participant institutes present at the meeting. Unfortunately, Shri Vikas Trivedi, Member Secretary of the Rehabilitation Council of India, couldn't attend due to prior commitments.

Prof. Lindsey Gale in the beginning quoted that *“As a competency-based training program in the disability sector, it is crucial to impart training to faculty members from selected institutes through the Training of Trainers (TOT) program. This program aims to prepare them as Master Trainers for effective curriculum delivery”*.

At the completion of the TOT Programme, the master trainers and participant institutes provided the following recommendations:

- Prof. Lindsey Gale suggested initiating a training program for rehabilitation aimed at doctors and nurses, enabling them to work in the field of disability. She recommended sending emails to all concerned institutes to gather suggestions for enhancing the course. Additionally, she proposed conducting exams for the 3rd batch in August 2024.
- Sh. Carmo Noronha suggested some changes in the SLM, which will be communicated to RCI for further modifications.
- Dr. Varsha Gathoo mentioned that three candidates from AYJNISHD secured jobs in the same institute after completing this course.
- Dr. Pankaj Maru emphasized that the success of the CBID Programme hinges on the availability of employment opportunities. He recommended having at least one CBID Program graduate present in the District Disability Rehabilitation Centre (DDRC) under the Deendayal Divyangjan Rehabilitation Scheme

(DDRS). He also suggested making the CBID Programme compulsory for all Special educators working with the Government of India. He commended the Council's initiative to maintain placement data for CBID Program graduates.

- Dr. Jasmer Singh addressed placement and employment opportunities for CBID Training Programme candidates, highlighting the creation of Cross Disability Early Intervention Centres at National Institutes and CRCs. He suggested having at least one Divyang Mitra vacancy in these centers.
- Ms. Kinnari Desai mentioned that guest faculties were invited during the first two batches. Before their institute visit, they would collaboratively determine crucial concepts to be discussed in the guest lecture, ensuring its maximum benefit for the candidates.
- Prof. Dr. S. Prabhakar expressed admiration for the CBID Training Programme. He highlighted that individuals undertaking or having completed the course are recognized as "Divyang Mitra," contributing significantly to positive societal changes for the betterment of the disabled community. Recognizing a challenge in their direct availability to children with disabilities, he proposed a supplementary approach. This approach would empower Divyang Mitra to support the disabled community more extensively, becoming a therapeutic resource for both individuals with disabilities and their families. He shared insights from Tamil Nadu, where the Tamil Nadu Rights Programme is dedicated to enhancing service management for persons with disabilities. He provided that in Tamil Nadu, a Tamil Nadu Rights Programme aims to help the State improve the management of services for persons with disabilities by supporting the development of a centralized registry of persons with disabilities, setting up social care service centres, providing mobile outreach of therapy services and improving access to public. He also highlighted employment opportunities for CBID workers in similar projects, underlining the program's broader societal impact.
- The meeting was concluded by accepting the recommendations and stating that they will be submitted to the competent authority for approval. The meeting ended with a vote of thanks to the Chair.

## **Draft Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of Rehabilitation Council of India for the year ended 31<sup>st</sup> March 2024**

We have audited the attached Balance-Sheet of Rehabilitation Council of India as at 31<sup>st</sup> March 2024, Income & Expenditure Account and Receipts & Payment Account for the year ended on that date under Section 19 (2) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 read with Section 21 (3) of the Rehabilitation Council of India, Regulations 1997. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Draft Separate Audit Report contains the comments of the Comptroller and Auditor General of India (C&AG) on the accounting treatment only with regard to classification, conformity with the best accounting practice, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Report/ C&AG's Audit Reports separately.

3. We have conducted the audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;
- ii. The Balance-Sheet, Income & Expenditure Account and Receipt & Payment Account dealt with by this report have been drawn up in the common format approved by the Ministry of Finance;
- iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Rehabilitation Council of India as required under Section 21 (2) of Rehabilitation Council of India Regulations, 1997 in so far it appears from our examination of such books;
- iv. We further report that:

### **A. Balance Sheet**

#### **B. General**

**B.1** National Board of Examination in Rehabilitation (NBER) was set up as adjunct body of RCI and is registered under the societies Registration Act, 1860 with the aim to conduct examinations, to decide the qualification of examiners and the condition of admission for RCI approved certificate in Diploma level courses. Memorandum of Association of NBER Para 12.4 read with Para 12.3, mandates maintenance of separate accounts of NBER which are to be audited annually by CA in such manner as the Central Government may direct.

In contradiction to this, the Council is accounting for NBER fund under Schedule-3; Liabilities, instead of NBER maintaining its own separate annual account in accordance with above provisions of MOA.

This comment was issued during the previous year through Audit Report. However, no action has been taken by RCI.

**B.2** Grants-in-Aid amounting to ₹ 28.71 lakh have been lying unused for a period ranging from 1 year to 19 years as detailed below:

(Amount in ₹)

S. No.	Head	Amount of liability	Pertaining to year
1.	Grant in aid (Spl. Com. For SCs)	237	2019-20
2.	Grant in aid (Tribal Area SubPlan (STs))	311	2019-20

8.	Trained manpower development	47801	2004-05
9.	WHO workshop	115000	2007-08
<b>Total</b>		<b>2871069</b>	

This issue was also raised during the previous year through SAR. However, the action has not been taken so far and amounts are lying unutilized.

**B.3** Fixed Assets included an amount of ₹ 7.71 lakh as “Capital works in progress”. The amount was unadjusted advance with CPWD due to arbitration, in respect of construction of building, which was put to use since 2004. The same has not been disclosed in Schedule 18 (Significant Accounting Policies, Contingent Liabilities & Notes on Accounts). The matter was also pointed out repeatedly in previous year Report, but corrective action has not been taken.

**B.4** An amount of ₹ 21.80 lakh- pertaining to 2023-24 was paid in April 2024 (DA arrears of ₹1.42 lakh for the period from January 2024 to March 2024 and Salary of ₹ 20.38 lakh for the month of March, 2024). Council has not created the liability for the same. This resulted in understatement of Current Liabilities and Expenditure by ₹ 21.80 lakh.

### **C. Grants-in-Aid**

The Council received a grant of ₹ 7.28 crore during 2023-24 from Ministry of Social Justice and Empowerment. It had unspent balance of grant-in-aid of previous year of ₹ 0.15 crore. Out of the total available funds of ₹ 7.43 crore, the Council utilized a total sum of ₹ 7.16 crore leaving an unspent grant of ₹ 0.27 crore.

v. Subject to our observations in the preceding paragraphs, we report that the Balance sheet, Income & Expenditure Account and Receipt & Payment Account dealt with by this report are in agreement with the book of accounts.

vi. In our opinion and to the best of our information and according to the explanation given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India:

- (a) In so far as it relates to the Balance Sheet of the state of affairs of the Rehabilitation Council of India as at 31 March, 2024 and
- (b) In so far as, it relates to Income and Expenditure Account of the surplus for the year ended on that date.
