- (a) National Initiative of Allied Health Sciences (NIAHS) - If allied health services has been mapped, it is necessary to find where C.P.O., D.P.O., B.P.O. & M.P.O. are fixed.
- (b) National Skill Development Council.
- (c) Whether RCI should indulge in giving certificates.

#### **CORE COMMITTEE MEETING TO DEVELOP CURRICULUM FRAMEWORK FOR INTEGRATED B.A./B.COM./B.SC. B.ED. SPL. ED.**

A meeting of the Core Committee was held under the Chairmanship of Shri Lov Verma, Secretary, DEPWD & Chairperson, RCI on 12.12.2015 at AXINIHH, Mumbai to consider:

- (A) Development of Curriculum Framework for Integrated B.A./B.Com./B.Sc. B.Ed. Special Education Programme (4 years); and
- (B) Development of Curriculum Framework for B.Ed., M.Ed. Special Education Integrated Degree Programme (3 years).

Following decisions were taken:

- (a) If the duration of existing Graduation (B.Com./B.A./B.Sc.) is for three years and existing B.Ed. Spl. Ed. is for two years, then it needs lot of deliberation to narrow down the duration of the said programme which cannot be less than 10 semester (5 years). Recently, duration of the B.Ed. Spl. Ed. has been enhanced from one to two years, hence the duration of the programme has to be minimum five years. Reducing the special education component to one year is like going back from the track.
- (b) Integrated B.Ed.Spl. Ed. needs to be in tune with existing B.Ed. Spl. Ed. in terms of exposure and expertise into various types of disabilities. B.Ed. non-integrated current B.Ed. Spl. Ed. has cross disability exposure and single disability expertise. Same pattern needs to be followed for the Integrated programme. Registration in C.R.R. needs to be in one disability for integrated programme.
- (c) In spelling out various eligibility criterion for applying for recognition, RCI must clearly mention: only those Colleges/Departments can apply for recognition which have permanent affiliation in that particular faculty (B.Com./B.A./B.Sc. and B.Ed. Spl. Ed.). This is to ensure adequate infrastructure and manpower required for the programme with a lot of diverse component from various faculties.

- (d) As mentioned in general points, B.Ed. Integrated needs careful system analysis in terms of surveying the market needs in the light of current options in teacher education (special education) – from Diploma to Ph. D. and from regular to distant mode.
- (e) It has been noted that there has been low enrolment in the B.Ed. Spl. Ed. Courses post recent revisions of two years B.Ed. Hence launching one more option needs a careful and stronger justification which is not currently ready.

Unless the above mentioned points are taken care, this programme of Integrated B.Ed. cannot be either considered or launched.

The idea of starting an Integrated B.Ed. and M.Ed. programme is very good and RCI must be congratulated for this initiative. The group consisting of Dr. Jayanati Narayan, Dr. Rubina Lal, Dr. Varsha Gethoo, Dr. Himangshu Das and Dr. S.R. Mittal considered the proposal. During discussion the following concerns emerged:

1. Comprehensive need assessment for such a programme should be done.
2. Parity in P.G. Degree (with existing two year M.Ed. programme) needs to be ensured for recruitment of faculty. The 2 year M.Ed. programme was initiated in 2015 as per UGC and NCTE guidelines with an intention to bring about parity between general and special education teacher educators in terms of job opportunities, designation and pay scales. When this exercise has just begun, it is to be considered whether it is appropriate to start a Course that does not fulfil the mandate provided by UGC and NCTE.
3. The B.Ed. and M.Ed. Courses were expanded to 2 year duration each by the collective wisdom of experts in the field from UGC, NCTE and the RCI and the programmes are being implemented from current academic year. Now with the proposed B.Ed. and M.Ed. Integrated Course, the duration for M.Ed. programme will be reduced by one year. This defeats the purpose of expanding the programme by 2 years.
4. How many universities or institutes would be able to run it and what is the infrastructure needed.

The Council should be able to find answer to these questions before considering the launch of Integrated B.Ed. and M.Ed. programme. The group suggested that the Council should evaluate the implementation and outcome of the newly started 2 year B.Ed. and M.Ed. programmes. Based on the derived information only, the proposal for Integrated B.Ed. and M.Ed. programme should be mooted.

#### **MEETING OF EXPERTS TO CONSIDER THE ISSUE OF EQUIVALENCY OF B.ED. SPL. ED. AND M.ED. SPL. ED. WITH B.ED. (GENERAL) AND M.ED. (GENERAL)**

A Meeting was held under the Chairmanship of Shri Lov Verma, Secretary, DEPWD and Chairperson, RCI on 19.01.2016 to discuss the issue of equivalency of B.Ed. (Spl. Edu.) and M.Ed. (Spl. Edu.) with B.Ed. (General) and M.Ed. (General) and non inclusion of faculty from Special Education in NCTE (Recognition Norms and Procedure) Regulation, 2014. It was decided that a Committee consisting of the following representatives may be constituted to resolve the issue of equivalence as it cannot be decided by NCTE or RCI on its own:

1. Representative of UGC
2. Representative of RCI

3. Representative of NCTE
4. Representative of NCERT

RCI will convene the meeting of the above Committee and the report of the same shall be submitted within three months.

As regards the non inclusion of faculty from Special Education in NCTE (Recognition Norms and Procedure) Regulation, 2014, Chairperson, NCTE informed that a notification would be issued by NCTE including the following faculty in the said Regulation of NCTE out of 15 prescribed faculties:

- (i) One faculty with M.Ed.Spl.Ed. or M.Ed. General with B.Ed.Spl.Ed.

## **CENTRAL SECTOR PLAN SCHEME OF "IN-SERVICE TRAINING AND SENSITIZATION OF KEY FUNCTIONARIES OF CENTRAL AND STATE GOVERNMENTS, LOCAL BODIES AND OTHER SERVICE PROVIDERS"**

The 12th Five Year Plan of Govt. of India has recognized inadequate awareness and sensitivity amongst various stakeholders as a major challenge. It was felt that there are urgent need for In-service training amongst the various stakeholders to create awareness about the rights and entitlements of persons with disabilities (PwDs), provisions in various schemes, developmental programmes, ways and means to access their specific entitlements and those that they are entitled to as equal citizens. Therefore, in order to realize the above said objectives, the Govt. of India has made a provision for training and sensitization of key functionaries of Central /State Govt. under the 12th Five Year Plan.

### **Development of the Scheme**

A Scheme for In-service Training & Sensitization Programme was required to be developed for Implementation of the objectives as recognized by the Government of India. Therefore, the Department of Empowerment of Persons with Disabilities (DEPWD) had developed a new Central Sector Plan Scheme i.e. "In-Service Training and Sensitization Key Functionaries of Central and State Governments, Local Bodies and Other Service Providers" w.e.f. 29th December, 2014. This Scheme was implemented for the remaining part of 12th Five Year Plan for the financial year 2015-16 & 2016-17.

### **Objectives of the Scheme**

The Scheme was launched with the following objectives:

- (i) To train and sensitize the key functionaries of the Central/State Govt. Local Bodies and other service providers on a regular basis on disability related matters through State/District/Block level Workshops. The Workshops will aim to raise the awareness among employees and peer groups about capabilities of persons with disabilities and how we can work together to create an inclusive environment, etc. at work place. To ensure enlightened, efficient and committed key functionaries to further the cause of empowerment of PwDs.
- (ii) To create awareness about the disability related legislations, development programmes, schemes and programmes for the benefits of PwDs, rehabilitation and referral services amongst the various stakeholders, namely, in-service officials of Central and State Governments, local bodies and other service providers.
- (iii) To provide in-service training on some important skills like oralsm, sign language, Braille, Alternative Communication, etc. To create awareness and sensitize towards prevention, early identification, intervention, rehabilitation and mainstreaming of persons with disabilities.
- (iv) To obtain feedback about the quality of delivery of the Schemes/Programmes of Govt. The training programmes are meant to sensitize the officers to new and important issues facing the disability sector in the changing and economic scenario. The prime objective of the Scheme is to focus on the demand-driven training of key functionaries dealing with

disability sector which will be conducted in close coordination with the Administrative Training Institutes, as far as possible.

### **Fund Sanctioning Authority (FSA)**

A Fund Sanctioning Authority (FSA) was constituted to take major decisions with regard to the work related to the Central Sector Scheme launched by DEPWD. This Committee comprised of the following members:

- (i) Secretary, Department of Empowerment of PwDs
- (ii) Joint Secretary, Department of Empowerment of PwDs
- (iii) Joint Secretary & Financial Advisor, Department of Empowerment of PwDs
- (iv) Chairperson, Rehabilitation Council of India
- (v) Director (Concerned), Department of Empowerment of PwDs, Member Secretary

### **Meetings of the Fund Sanctioning Authority**

A number of meetings of the FSA were organized during the year:

- (i) To discuss the modalities of the Scheme to be developed by the Council under the In-service Training & Sensitization Programme.
- (ii) To prepare the guidelines for implementation of the said Scheme.
- (iii) To finalize the sanction of grants-in-aid to the Council by the DEPWD and further to the implementing agencies by the Council. The funds were released by the Council to the implementing agencies as approved by the Fund Sanctioning Authority.
- (iv) To discuss numerous issues relating to the implementation of the Scheme, viz. development of Unique Identification Number, development of certificate of participation, distribution of training module, translation of training module in regional languages, monitoring of the training programmes, submission of the report and analysis of the feedback forms. These issues were discussed during different meetings of the FSA and after an in-depth deliberation and discussion of the members of the FSA, various decisions were made. The Council was given the responsibility to undertake the action accordingly.
- (v) To finalize the structure as well as contents of e-training module, a meeting of the Expert Committee was organized by the Council. The experts from the different disability areas including Directors/Representatives of National Institutes attended the meeting, thereby developing an "e-Training Module" for In-service Training & Sensitization Programme to make the training programmes more effective, meaningful and useful for the trainees.

Council being the Nodal Agency for the said Scheme has undertaken various actions on all the issues as and when required, thereby, accomplishing the objectives of the Scheme successfully during the financial year 2015-16.

### **Guidelines for Implementation of Central Sector Plan Scheme**

The guidelines for smooth implementation of the above said Scheme were framed by the Council

that provided with an in-depth view of Scheme along with the detailed objectives, scope of the Scheme, summary statement of target groups, prescribed budget heads with the limit of expenditure and all the requisite proforma as required for submission of proposal, feedback/evaluation form, proforma for programme report submission, etc.

### Training Module

As the Nodal Agency of the Scheme, RCI was entrusted with the responsibility to develop the training module by DEPWD. The Council in this regard, organized a meeting of the Expert Committee to finalize the structure as well as contents of the training module. The experts from the different disability areas including Directors/Representatives of National Institutes attended the meeting. Therefore, Council with the help of the members of the Expert Committee had developed

a "Training Module" for In-service Training & Sensitization Programme to make the training programmes more effective, meaningful and useful for the trainees. The training module developed by the Council and was further distributed to all the implementing agencies and other government institutes. ### Financial Assistance

The budgetary provision for the scheme was finalized as per the requirement of each of the 05 target groups under the prescribed budget heads with upper limit of expenditure. A detailed description of the budget allocated under each group was therefore developed by the Council and was further approved by the Fund Sanctioning Authority (FSA).

Based on the above said approved budget, under the guidelines for implementation of the Scheme, the implementing agencies approved to conduct in-service training programme for 02 days duration under State level, i.e., for Target Group-I was given a grant of Rs.1,13,900 and similarly, an amount of Rs.2,35,675 was granted for 03 days duration programme under District/Block level i.e. for the Target Groups-II, III, IV and V.

### Implementation of the Scheme

As DEPwD had assigned the responsibility of Nodal Agency to Rehabilitation Council of India (RCI) to play a pivotal role in implementation and overall execution of the said Scheme at national level, the Council undertook a step-by-step approach for smooth implementation of the Scheme.

### Unique Identification Number (UID) & Certificate of Participation

Based on the decision of the FSA, Council developed a "Unique Identification Number", i.e., Agency UID No. that had been provided to each implementing agency approved for conducting the In-service Training Programme.

## Screening of Proposals

As the number of proposals, batches and their request for fund have been found very high in comparison to the allocation of funds by DEPWD for the said programme, all proposals received under the Scheme were considered by the Screening Committee under the Chairmanship of Member Secretary, RCI. The following parameters were adopted by the Council to scrutinize the proposals.

- Proposals received within the due date shall be considered for screening.
- Proposals received have been distributed under 05 categories.
- In the 1st phase proposals received from above said categories only may be considered for release of Grants-In-aid subject to the availability of funds.
- Optimization of geographical coverage up to the extent possible in order to maintain regional balances.

## Sanction of Proposals

Initially, 35 proposals received within the stipulated date were examined and scrutinized by the Screening Committee of RCI as envisaged in the Scheme. Further, these 35 proposals were put up for consideration of the Fund Sanctioning Authority (FSA) in its meeting for sanction of grant-in-aid, subject to availability of funds.

## Release of Grant-In-Aid

Based on the recommendations of the FSA, DEPWD, M/o S&E had sanctioned and released an amount of Rs.95,00,000 towards recurring expenditure under the above said Scheme, as 1st instalment to further release the grant to selected implementing agencies. ## Monitoring of the Training Programme

Although the In-service Training Programme has been found very useful by a large number of participants, feedback is essential to take any corrective measure. As per the directions of FSA, monitoring of training programmes conducted under the above said Scheme had to be undertaken by the Council. The Council, therefore, deputed officers for carrying out the monitoring activity by making surprise visits to various implementing agencies conducting the in-service Training Programme. This was done to ensure the timely conduct of the training programme at their institute. The concerned officers were required to submit a detailed report on completion of the training programme. The Council deputed visiting experts to carry out surprise checks during the ongoing training programme. These surprise checks, without informing the implementing agencies, have facilitated the RCI to judge the efficacy of the programme.

## Submission of Report

On completion of the training programme, implementing agencies prepare and submit the programme wise report along with group photographs of the participants, list of participants and their attendance sheet with signature (local and out station), list of resource persons and duly filled feedback form, to the RCI in the form of a soft copy, along with Utilization Certificate and Income & expenditure statement, duly certified by Chartered Accountant or Govt. Auditors as the case may be, within a month of organizing the training programme.

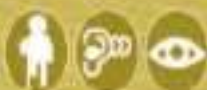

## Feedback

RCI has also developed a feedback form to be filled in by the participants after the completion of the training programme. Each In-service Training Programme that was conducted had to be evaluated by obtaining feedback from the participants. Feedback not only enabled RCI and DEPWD, M/o SI&E to assess the effectiveness of the training conducted but it also made up some good suggestions that can be incorporated in the training programmes to be organized in future. The system of feedback was such that it had not inhibited the participants from speaking out what they honestly felt about the training programme. It was, therefore, left to the participants whether they would like to disclose their name on the feedback form or make their assessment anonymous.

Based on the reports along with the feedback form received from various implementing agencies, In-service Training and Sensitization Scheme had a powerful impact. The objective of the training programme was useful and the instructions were easily understandable. The learning materials as hand-outs provided to the participants were satisfactory that was unanimously supported by the participants. Majority of the participants informed that there should be wide publicity of the awareness about the schemes related with the disability in rural areas so that no child will be deprived of the rights and provisions. Also, Important suggestions were made by the delegates based on the response of the participants. Some of the suggestions that were made are as under:

1. The programmes should be conducted on yearly basis
2. Evaluations should also be done after some days
3. To share further developments via e-mail
4. To conduct few practical sessions in upcoming programmes
5. The higher authorities should also be given intensive training

It is also proposed to impart training through Administrative Institutes of Central and State Govt./ National Institutes of DEPwD/RCI approved training Institutes/University Departments.

### Audit Report on the Accounts of the Rehabilitation Council of India, New Delhi for the Year 2015-16

Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of Rehabilitation Council of India for the year ended 31st March 2016

1. We have audited the attached Balance Sheet of Rehabilitation Council of India as at 31 March 2016, Income & Expenditure Account and Receipts & Payment Account for the year ended on that date under Section 19 (2) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 read with Section 21 (3) of the Rehabilitation Council of India, Regulations 1997. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. This separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practice, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Report/CAG's Audit Reports separately.
3. We have conducted the audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.
4. Based on our audit, we report that:
  - i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
  - ii. The Balance Sheet, Income & Expenditure Account and Receipt & Payment Account dealt with by this report have been drawn up in the common format approved by the Ministry of Finance.
  - iii. In our opinion, proper books of accounts and other relevant records have been maintained by the Rehabilitation Council of India as required under Section 21 (2) of Rehabilitation Council of India Regulations, 1997 in so far as it appears from our examination of such books.
  - iv. We further report that:

#### A. Balance Sheet

##### A.1 Liability

##### A.1.1 Current Liabilities & Provisions - Rs.253.38 Lakh (Schedule-6)

The Council paid salaries amounting to Rs.14.65 lakh and Rs.11.99 lakh, for the month of March 2016 and March 2015, during April 2016 and April 2015 respectively. However the provision for the same was not made under Current Liabilities & Provisions on Liabilities side instead the amounts were booked as expenditure of accounting year corresponding to the month of actual payment. This has resulted in understatement of Current Liabilities & Provisions by Rs.14.65 lakh and understatement of

Current year expenditure by Rs.2.66 lakh (Rs.14.65 lakh – Rs.11.99 lakh) along with understatement of prior period expenditure by Rs.11.99 lakh.

## A.2. Assets

### A.2.1 Current Assets, Loans and Advances – Rs.420.88 lakh (Schedule 9)

The interest accrued on staff loans (Computer Advance) has not been accounted for in the annual accounts. This has resulted in understatement of Current Assets as well as current year income. The amount of accrued interest could not be quantified in audit.

### A.2.2 Current Assets – Rs.420.88 lakh (Schedule 9)

Current year income amounting to Rs.6.84 lakh which was received in March 2016 was not taken in current year accounts. This has resulted in understatement of Current Assets and income by the same amount.

## B. Income & Expenditure Account

### B.1 Income

#### B.1.1 Overstatement of Income

A sum of Rs.7.62 lakh, pertaining to financial year 2014-15 on account of inspection/registration fee, was received during April 2015 and accounted for in annual account for the year 2015-16 which resulted in overstatement of current year income by Rs.7.62 lakh and understatement of prior period income by the same amount.

## C. General

### C.1 Current Liabilities & Provisions – Rs.253.38 lakh (Schedule 6)

The Council has not made provision for gratuity & leave encashment on actuarial valuation. Instead the same are being accounted for on cash basis in contravention of the Uniform Format of Accounts approved by the Government of India, Ministry of Finance.

## D. Grants-in-Aid

Out of Rs.554.61 lakh (Rs.364.61 lakh under Plan and Rs.190.00 lakh under Non-Plan) received as grant-in-aid from Ministry of Social Justice and Empowerment, Rs.45.21 lakh under Plan and Rs.9.50 lakh under Non-Plan was received in March 2016. It had unspent balance of grant-in-aid of previous year of Rs.19.52 lakh under Plan and Internal receipt of Rs.369.59 lakh. Out of the total funds available the Council utilized a sum of Rs.655.56 lakh.

v. Subject to our observations in the preceding paragraphs, we report that Balance Sheet, Income & Expenditure Account and Receipt & Payment Account dealt with by this report are in agreement with the book of accounts.

vi. In our opinion and to the best of our information and according to the explanation given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India.
