Remarks (Specify Sl. No. for which the remark is made):

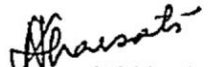

Human Resource is very poor, only one Associate Prof who has appointed on 15/04/2025 before that she was at Asst. Prof. level. Only Dr. Satyana was managing the theory and practical of M.Phil (Cl. Psy.) students.
 On the date of surprise inspection, one Asst. Prof. has joined on contract basis. No attendance sheet has been provided by them.
 Since, only one teaching staff was there i.e. Dr. Satyana, question arise that how she was conducting theory and practical classes alone.
