Report on National Coaching Preparatory Camp-1 (Bocce)

24th to 28th September 2024

The National Coaching Preparatory Camp-1 (Bocce) was held from the 24th to the 28th of September 2024 in our Center. In this camp, the total number of participants were 34 Athletes and 11 Coaches, with 18 resource persons from 10 States. The camp aimed at preparing athletes and coaches for upcoming national and international Special Olympics events. It brought together teams from various states to engage in training sessions, fitness assessments, divisioning, and competitive matches, all under expert guidance.

The camp provided athletes with the necessary tools and training to improve their performance, while also offering coaches valuable insights through interviews and collaborative discussions. The fitness assessments, divisioning process, group matches, and expert feedback contributed to the holistic development of the athletes.

This camp serves as a strong foundation for the preparation of athletes for upcoming Asia Pacific Special Olympics events. The involvement of key stakeholders and dignitaries of Special Olympics Bharat leadership, ensured the camp's success.
