Subject: Debarment of M/s Safeway Multiple Services from participation in future tenders/bids and procurement processes of the Centre on account of submission of forged eligibility documents – reg.

Whereas, GeM Bid No. **GEM/2025/B/7022853 dated 30.12.2025** was invited for Manpower Outsourcing Services and the contract was awarded to **M/s Safeway Multiple Services** through the GeM Portal on 05.03.2026;

2. And whereas, during verification of the documents submitted by the firm in support of its eligibility for the said tender, discrepancies were noticed and the documents were referred to the Labour Department, Government of Madhya Pradesh, Gwalior Division, for verification of their authenticity;

3. And whereas, the Labour Department, vide its verification report dated 16.03.2026 and subsequent final conclusion, reported that the documents submitted by the firm for verification were forged and that forged official seals had been affixed to those documents. The Labour Department specifically concluded as follows:

"Therefore, it is concluded that the institution participating in the tender has deliberately prepared forged documents and affixed forged seals of the office on those documents. All the documents submitted by you for verification have been found to be entirely forged. The said institution has deliberately prepared these forged documents with the intention of misleading the Department."

The Labour Department further recommended that necessary action be taken against the firm in accordance with the applicable rules;

4. And whereas, in view of the above findings, the contract award was cancelled and the matter was reported to the Government e-Marketplace (GeM) under Incident No. **2365971**, which was closed by GeM on 05.05.2026;

5. And whereas, a Show Cause Notice No. **ABV-TCDS/Accts./GIA/2026-27/159 dated 28.07.2026** was issued to the firm, proposing debarment/blacklisting from participation in future tenders/bids of the Centre. The firm submitted its reply dated 04.08.2026, denying mala fide intention and attributing the discrepancies to procedural delay and non-verification of documents;

6. And whereas, the firm requested a personal hearing, which was duly considered and allowed. The proprietor, Shri Pradeep Singh Rajawat, attended the personal hearing on 21.08.2026 and

   submitted a further written explanation by email dated 22.08.2026, along with copies of certain annual and half-yearly returns;

7. And whereas, the Labour Department's verification report and final conclusion, the firm's written replies, the documents submitted during the personal hearing and the records available on file have been examined. The explanation furnished by the firm has not satisfactorily established the authenticity of the documents in question or rebutted the findings communicated by the Labour Department;
8. And whereas, submission of forged documents and forged official seals in support of mandatory tender eligibility requirements is a serious matter that undermines the integrity, fairness and transparency of public procurement. After consideration of the material available on record and the explanations furnished by the firm, the Competent Authority has found grounds for procurement-related action under the applicable provisions of the General Financial Rules (GFR), 2017, as amended, including Rule 151, read with Rule 175 concerning the Code of Integrity for Public Procurement, the applicable Department of Expenditure debarment guidelines and relevant tender conditions;

Now, therefore, in exercise of the powers vested to the Competent Authority and subject to the applicable rules and delegated powers, the following order is issued:

1. **Debarment: M/s Safeway Multiple Services is hereby debarred from participating in future tenders/bids and procurement processes undertaken by Atal Bihari Vajpayee Training Centre for Disability Sports, Gwalior, for a period of one (01) year, with effect from 28.10.2026**. The debarment shall also apply to the ongoing tender/procurement process of the Centre, subject to the applicable rules, tender conditions and the stage of the procurement process, and without prejudice to the principles of natural justice.

2. **Grounds of the order:** The debarment is based on the findings of the Labour Department concerning the forged documents and forged official seals submitted in support of the firm's tender eligibility, the materiality of those documents to the procurement process, and the failure of the explanations furnished by the firm to satisfactorily rebut those findings.

3. **Scope:** This order shall apply only to procurement processes of the Centre, to the extent permitted under the applicable rules and the Competent Authority's delegated powers. It shall not, by itself, be construed as a Government-wide debarment or as an independent order prohibiting the firm from participating in all procurement processes on the GeM Portal.

4. **GeM and other authorities:** A copy of this order shall be forwarded to GeM for information and for such action, if any, as may be permissible under the applicable GeM terms, conditions and prescribed procedures. Any separate or wider action by GeM or another competent authority shall be governed by the relevant rules and procedure.

5. **Record and compliance:** The concerned Administration and Accounts sections shall place this order and the supporting records on the relevant file and ensure that the debarment is implemented within its approved scope and duration.

6. **Communication:** This order shall be communicated to M/s Safeway Multiple Services and circulated to the concerned sections and authorities for information and necessary action.

This issues with the approval of the competent authority.
