KURUKSHETRA, SEPTEMBER 4

Haryana Right to Service Commission Chief Commissioner TC Gupta said the Pradhan Mantri Fasal Bima Yojana and Ayushman Bharat Scheme would be brought under the Right to Service (RTS) Act soon.

### To help farmers, poor get benefits in time

He said this would help the farmers and Ayushman cardholders get the benefits of the respective schemes in time. Gupta was interacting with people at an open house organised in Kurukshetra on Friday evening.

The Chief Commissioner further said the farmers must get the compensation for their crop loss in time and similarly, the Ayushman cards help the poor in getting medical treatment, hence both the services would also be included under the Right to Service Act.
