No. HRTSC/SM-26/Health/1985 (Registered)

Dated: 29-10-2021

Dr. Rohtas Yadav,
(Former Director, PGIMS, Rohtak)
12/6J, Medical Campus,
Rohtak-124001

Sub:- Regarding Suo Moto Notice.

Sir,

This is with reference to your appearance for personal hearing before the Commission on 11.10.2021 in a *suo moto* notice issued to you in the capacity of Director, PGIMS, Rohtak. The case was taken up for further proceedings on 25.10.2021 by the Chief Commissioner, HRTSC. As per reply/enquiry report received from the Director, PGIMS vide letter dated 24.10.2021, in 86 number of cases out of 125 cases, death certificates have not been issued till date. This is in contrast to the statement made you on 11.10.2021 before the Commission when it was stated by you that 'at present, there is no overdue case of death for which certificate has to be issued'. Therefore, to verify the facts, telephonic discussions were held with Dr Geeta, present Director of PGIMS, Rohtak who has sent the report dated 24.10.2021. She had reiterated that the contents of the report dated 24.10.2021 are correct. Therefore, the Commission has directed you to explain in writing as to why a wrong statement was made before the Commission during the hearing on 11.10.2021 that there was no overdue case of death for which certificate had to be issued. Reply be sent by 4th November, 2021 through email at rtsc-hry@gov.in.

(Meenaxee Raj, HCS)
Secretary.
