Sh. Amitabh Dhillon, IPS, Transport Commissioner, Haryana was contacted telephonically on his mobile. He stated that presently there is problem in getting the entire data from the NIC portal and he has taken this issue with NIC authorities. When asked why even interim reply has not been sent, he expressed regret and stated that it was to be sent today. He requested for two weeks' time to submit the data in terms of the orders dated 03.03.2022.

Matter has been considered. It is really unfortunate that the Transport Commissioner, Haryana is not responding to the communications of the Commission in time in almost all the cases and in this case also, the *suo moto* notice was issued when requisite information was not sent in time. Mr. Amitabh Dhillon was told in clear terms that this kind of attitude on the part of his Department will not be appreciated by the Commission in future. Acceding to the request, the case is adjourned for final disposal at 10.30 AM on 30th March, 2022 and if the requisite information is not sent before that date, Transport Commissioner is directed to be personally present at the time of hearing/ disposal on 30th March at 10.30 am.
