To

The Commissioner,
Transport Department, Haryana
Chandigarh.

Memo No. 2287

Dated .06.06.2022

Subject: Order regarding suo-moto notice no. HRTSC/SM-73/Transport /0455 dated 08.02.2022.

This is with reference to Memo no. 195139/AT-1/ASTC dated 26.05.2022 on the subject cited above. I have been directed to convey that the matter has been carefully considered by the Commission. The contention that the service namely 'alteration of vehicle' at Sr. no. 243 notified under the Haryana Right to Service Act, 2014 pertains to services like addition of CNG, change in sitting capacity etc., has been noted. In fact, it was the Transport Commissioner himself who had never clarified this to the Commission earlier in response to the suo moto notice dated 08.02.2022. Rather, the details of data collection requests were shared and discussed each time, this case was discussed. Be that as it may be, the contents of *ibid* communication have been noted and the suo moto notice dated 08.02.2022 is hereby filed. However, since thousands of data collection requests are pending which affect the common man, it is advised that same may be got notified as 'Data correction entry' albeit with relatively liberal timeline to bring accountability in the system.
