This is with reference to a report dated 28.09.22 from XEN-Samalkha (enclosed). It informs that the delay in the above mentioned case was owing to a lapse on the part of Sh.Amarjeet. However, the Commission has been informed that entering of wrong MCOs during system shifting is a pertinent issue. Therefore, a hearing has been called in the matter before Sh.T.C.Gupta, Chief Commissioner, Haryana Right to Service Commission on 27.10.2022 at 10:30 am through Video Conference to discuss the reasons for lapse in this case and the overall situation of this issue in the sub division. Both SDO-Samalkha and Sh.Amarjeet are directed to attend the fore-mentioned hearing. The link of the hearing will be shared a day before the hearing.
