**Subject:** - Final order regarding Suo-moto notice issued vide no. HRTSC/File no. 137/SM-284/3937 dated 14.09.2022.

I am directed to invite your attention to your memo No. Ch-135/RTSA/Vol-II dated 21.11.2022 and memo No. Ch-138/RTSA/Vol-II dated 28.11.2022 on subject cited above and to inform you that the Commission has observed that in response to Commission's query as to why reasons for delay given in the initial report dated 07.07.2022 (copy encl.) received from DHBVN HQ and subsequent report dated 22.09.2022 (copy encl.) received from you, it has been stated by you in letter dated 21.11.2022 that all complaints pertained power rage but were registered under normal fuse off. It still didn't explain why the reasons mentioned in the HQ report mentioned reasons like transformer issue, rural complaint registered in urban etc, which have been falsified by your report.

Further, I am directed to inform you that the Suo-moto notice in this case is hereby filed with an advice to ensure accuracy in reports in future.
