3. The Commission has carefully considered all the facts and circumstances of the cases and the final orders are as under: -

I. Sh. Sushil Kumar, erstwhile DWO Sirsa & Fatehabad: The Commission observes that post the submission of complete documents by the applicant dated 10.08.2021, the application was approved by the Respondent with a delay. Further, it took over two months for the bill to be prepared in the two cases after the approval was granted. The Commission also observed discrepancy in the file movement details submitted by the Respondent in the matter. The Commission thus expresses its displeasure with the working of the Respondent in handling of the concerned cases. However, in light of the Respondent being on medical leaves between 25.08.20 to 02.10.20 owing to him suffering from Covid 19, the Commission is condoning the delay caused by him in the matter. The suo-moto notice issued to the Respondent is hereby filed with an advice to be more cognizant of issues related to notified services in the future.

II. & III. Sh. Vinod Chawla, erstwhile DWO Fatehabad, now DWO Kaithal & Sh. Lal Chand, DWO Fatehabad: The Commission finds their submissions as detailed in the preceding paragraphs satisfactory. In light of the above, the suo-moto notices issued to the Respondents are hereby filed.

IV. Ms. Shweta Sharma, DWO Jhajjar: The Commission observes that the details of file movement/date of re-application etc. had not been clarified by the Respondent. Further, the supportive letters to the Dept/IT Cell of HQ were also not submitted by the Respondent. The Commission thus expresses extreme displeasure with her style of working and reporting in the matter. In case she had observed delays on the part of the Statistical Assistant & TWO, she should have taken action against them or recommended the same to the Director, as per rules instead of merely issuing reminders. However, these being old cases and taking a lenient view, the suo-moto notice issued to the Respondent

is hereby filed with an advisory to be more cognizant of such issues pertaining to notified services in the future. In case such inaction is observed again, the Commission would be constrained to take penal action in the matter.

V. Ms. Renu Sisodia, erstwhile DWO Karnal, now DWO Rohtak: After careful perusal of the submissions of the Respondent and as per her recommendations, the Commission finds the Tehsil Welfare Officer. Smt. Saroj responsible for the undue delay from 17.10.2020 to 01.07.2021 in merely sending back the application to the applicant, despite multiple reminders and directions from the side of the Respondent. Thus, exercising the powers vested in it under Section 17(2) of the Haryana Right to Service Act, 2014, a show cause notice for seeking explanation in the matter would be issued to her by the Commission separately. The suo-moto notice issued to the Respondent is hereby filed with an advice to improve the efficiency of her office in the future so that cases pertaining to notified services are dealt with pro-actively.

VI. Sh. Kamal Kumar, DWO Kurukshetra: After careful perusal of the submissions, the Commission observes considerable delay on the part of the concerned TWOs in Kurukshetra & Yamunanagar between 16.12.2020 to 30.03.2021, 17.10.2020 to 15.03.2021 and 21.09.2020 to 26.11.2020 respectively in merely sending back the applications to the applicants in light of incomplete documents for which responsibility needs to be fixed. Thus, exercising the powers vested in the Commission under Section 17(2) of the Haryana Right to Service Act, 2014 and finding Smt. Rupal Kaur, Tehsil Welfare Officer, Kurukshetra, Sh. Ari Sudan Sharma, Tehsil Welfare Officer and Smt. Kamlesh, Tehsil Welfare Officer, Yamunanagar responsible for the undue delay caused by them in the matter, show cause notices would be issued to them for seeking explanation separately. At the same time, the Commission also notes that no concrete action was taken by the Respondent except for giving verbal warnings to the TWOs. He is hereby advised to ensure that due action is taken by him against delinquent subordinates in such cases in the future. With this, the suo-moto notice issued to the Respondent is hereby filed.

VII. Ms. Deepika Sarsar, erstwhile DWO Narnaul, now DWO Charkhi Dadri: In light of the submissions of the Respondent regarding the requirement for seeking confirmation from the applicant regarding the submitted documents before rejection in the one delayed case pertaining to her, the suo-moto notice issued to her is hereby filed.

VIII. Sh. Jagdev Singh, erstwhile DWO Nuh, now DWO Narnaul: The Commission notes that the majority of cases had been delayed on account of the delayed document submission by the applicants. At the same time, regarding one case of the application for Medhavi Chattr Yojana, the Commission observes that there has been a delay of over a month in granting approval for the disbursement of benefit. In light of the same, the suo-moto notice issued to the Respondent is hereby filed with an advisory to ensure the disposal of such cases proactively in the future.

IX. Sh. Devender Singh, erstwhile DWO Panipat, now DWO Bhiwani: In the light of the delay observed on account of incomplete documents submitted by the applicants and the delayed budget disbursement, the suo-moto notice issued to the Respondent is hereby filed.

At the same time, he is advised to stay abreast with the technical know-how regarding the portals and other platforms used by the Department so as to ensure disposal of cases pertaining to notified services in an effective manner.

X. Sh. Jaipan Singh, DWO Panipat: The Commission observes considerable delay of over a month in sending back the applications to the concerned applicants by the TWO for which responsibility needs to be fixed. The Commission also notes that multiple applications were sent back after approx. a month for the concerned scheme which has an RTS timeline of 30 days. Thus, exercising the powers vested in the Commission under Section 17(2) of the Haryana Right to Service Act, 2014 and finding the Tehsil Welfare Officer, Panipat responsible for the undue delay caused by him in the matter, a show cause notice would be issued to him for seeking explanation separately. With this, the suo-moto notice issued to the Respondent is hereby filed.

XI. Ms. Vandana Sharma, erstwhile DWO Faridabad, now Deputy Director, HQ Panchkula: In light of the submissions regarding her additional charges, the slight delay in the two cases pertaining to her tenure is condoned by the Commission. At the same time, she is advised to ensure that the cases pertaining to notified services are pursued by her proactively in the future. With this, the suo-moto notice issued to the Respondent is hereby filed.

XII. Sh. Shish Pal, DWO Ambala: The Commission notes that the delay majorly pertained to delays in budget allocation from the side of the Headquarters. Further, in the case pertaining to undue delay in sending back the application to the applicant, the Commission had been informed that the concerned TWO late Sh. Pramod Kumar was responsible for the delay. Therefore, in light of the same, the suo-moto notice issued to the Respondent is hereby filed.

XIII. Ms. Krishna, DWO Karnal: After careful perusal of the submissions of the Respondent and as per her recommendations, the Commission finds the Tehsil Welfare Officer. Sh Hoshiyar Singh responsible for the undue delay of over 5 months is forwarding the case to the Respondent. Thus, exercising the powers vested in the Commission under Section 17(2) of the Haryana Right to Service Act, 2014, a show cause notice would be issued to him for seeking explanation in the matter separately. With this, the suo-moto notice issued to the Respondent is hereby filed.

In all the above cases, the Commission has taken a very lenient view since these are old applications where major delays were observed. However, wherever undue delay has been found at the initial level of examination of the applications by the Tehsil Welfare Officers, *prima facie*, finding them responsible for the delay in such cases, show cause notices would be issued to them by the Commission separately. At the same time, all the District Welfare Officers are advised to pursue cases pertaining to welfare schemes and notified services proactively in the future.
