Shri Vishnu Chandra , DDG, NIC New Delhi has briefed about the features of OCMMS to all the participants during the function .

Online Consent Management & Monitoring System for State Pollution Control Board (OCMMS) is a web based Generic Application Software Package for automating the workflow associated with the Consent Management and Monitoring System which exists in most of the SPCBs (State Pollution Control Board) and PCCs (Pollution Control Committee). This system allows the industries to submit the application online to seek the consent to Establish(CTE)/ Consent to Operate(CTO), authorization for various categories of Industries/Institutions etc. This system is helpful to the concerned officials of SPCB for online monitoring of various activities of SPCBs/PCCs. The OCMMS can be implemented in all the SPCBs/PCCs with minimum customization efforts.

At present OCMMS is operational in 22 State Pollution Control Boards/Pollution Control Committees .

OCMMS of DPCC has been developed in collaboration with the NIC OCMMS team at Ministry of Environment & Forest, New Delhi under the dynamic leadership of HOG Shri Vishnu Chandra , Deputy Director General, NIC and HOD Shri Anil Kumar, Technical Director(Environment Informatics Division).
