

IITF Awards for NIC Implemented Projects

India International Trade Fair 2004 held in Delhi from November 14th -27th had emphasis on themes of Agriculture and Information Technology . Delhi Pavillion in IITF also exhibited all the IT Applications successfully implemented in Delhi in which NIC-Delhi State Centre also participated.

All the IT projects showcased in Delhi Pavillion during IITF 2004 were evaluated by an independent Jury consisting of representatives from Industry, Indraprastha University (Delhi) & Min. of Communication & Information Technology, Govt of India. The Jury evaluated all the IT projects in terms of concept, Technology used, design, usefulness, aesthetics and successful implementation. **The following NIC developed e-governance projects were rated in the top three in terms of merit :**

- 1. Golden Icon Award : e-Dastavez
(Delhi Online Registration System)**
- 2. Bronze Icon Award : File Monitoring System**

The above mentioned awards were presented by Council of Ministers, Govt. of NCT of Delhi and were received by Deputy Commissioner (South West District) & SIO (Delhi).
