ONE DAY WORKSHOP ON NIRF

source: Background image : AI generated

National Institutional Ranking Framework

Date: 22 January 2026

Time: 10:00 AM

Venue: Office of HSHEC, Panchkula (Haryana)

Presented by

Dr. Veena Rani

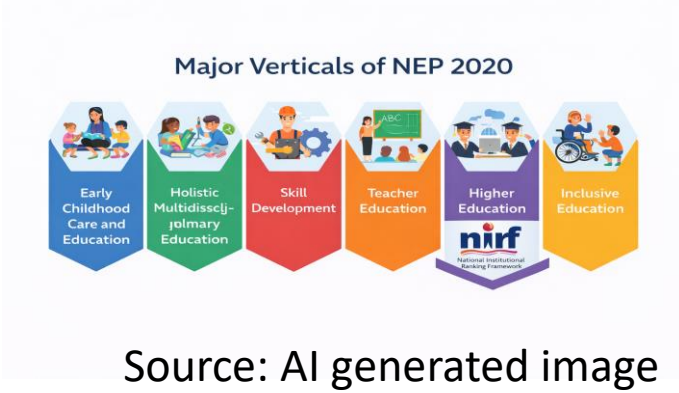

Deputy Director – Statistical Cell

Department of Higher Education, Haryana

Workshop Objectives:

To strengthen the Ranking System of the HEIs'

- Understand NIRF framework and indicators
- Review present status of NIRF participation
- Identify institutional challenges
- Discuss improvement strategies

Source: AI generated image

Introduction of NIRF:

The **National Institutional Ranking Framework (NIRF)** is an initiative of the **Ministry of Education (MoE), Government of India**, for ranking higher educational institutions across the country based on defined parameters.

- Annual ranking system for HEIs
- Promotes quality, transparency and competitiveness

NIRF Parameters:

- **Teaching, Learning & Resources (TLR)**
- **Research and Professional Practice (RP)**
- **Graduation Outcomes (GO)**
- **Outreach and Inclusivity (OI)**
- **Perception (PR)**

Registration on NIRF Portal

- Institutions must **register annually** on the official NIRF portal: **https://www.nirfindia.org**
- A **single NIRF Coordinator / Nodal Officer** should be designated by the Head of Institution.
- Login credentials must be **securely maintained**.

Role of NIRF Nodal Officer

- Coordinate data collection from all concerned sections
- (Academic, Examination, Accounts, Establishment, Research).
- Verify data before final submission.
- Maintain **records and supporting documents** for audit/verification.
- Institutions should maintain records for at least **three years**.

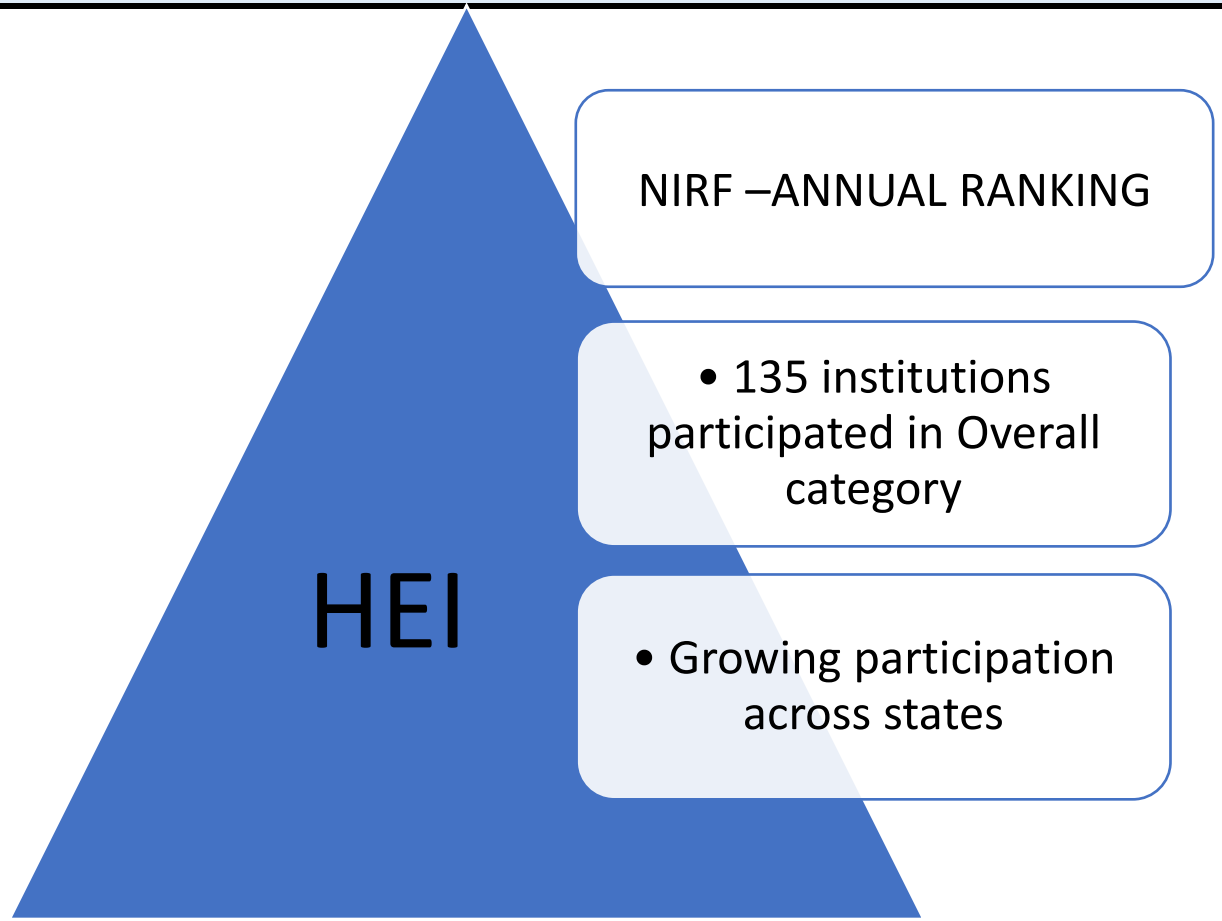

Benefits of Participation:

Helpful for **NAAC, NBA, funding proposals, and policy decisions**

Compliance & Responsibility

- Head of Institution (Vice-Chancellor/Principal) is responsible for:
- Nomination of NIRF Coordinator
- Timely and correct submission of data
- Internal review should be conducted before final submission.

Present Status of NIRF in Haryana (2025)

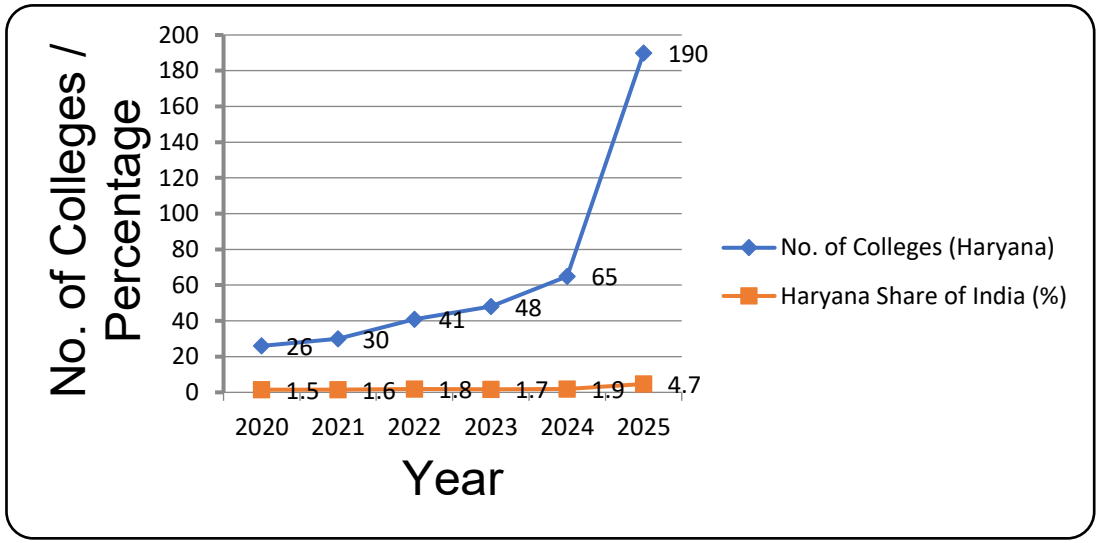

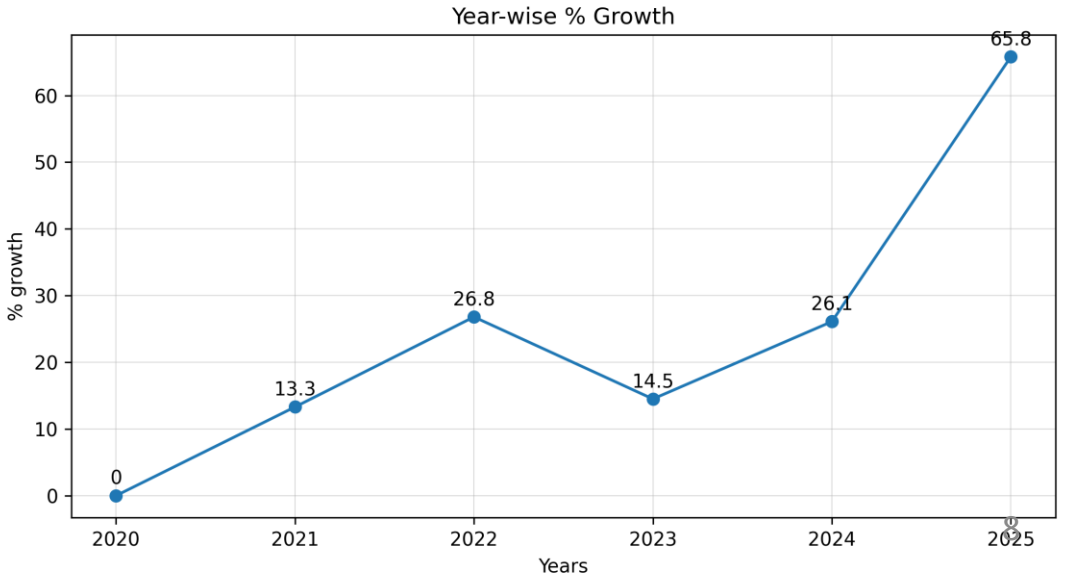

Growing NIRF Participation in Haryana –Colleges

Years	No. of Colleges of Haryana	Total Participating colleges in India	% growth
2020	26	1659 (1.5%)	Base year
2021	30	1802(1.6%)	13.3
2022	41	2270(1.8%)	26.8
2023	48	2746(1.7%)	14.5
2024	65	3371(1.9%)	26.1
2025	190	4030(4.7%)	65.8

Key Observations:

- Increased competition year-on-year
- Research indicators dominate ranking

CASE-STUDY :04 UNIVERSITIES (STATE PUBLIC UNIVERSITY)

Pillar-wise performance (% of maximum)

- **Panjab University:** TLR **66.8%**, RP **62.1%**, GO **85.7%**, OI **74.2%**, PR **66.8%**
- **MDU:** TLR **51.1%**, RP **38.3%**, GO **82.2%**, OI **56.1%**, PR **27.2%**
- **KUK:** TLR **59.0%**, RP **31.2%**, GO **82.3%**, OI **62.1%**, PR **38.2%**
- **GJUS&T (Hisar):** TLR **64.5%**, RP **31.1%**, GO **74.5%**, OI **54.1%**, PR **53.6%**

- **GO (Graduation Outcomes)** is strong for most (esp. PU/MDU/KUK).
- The biggest gap across Haryana universities is **RP (Research & Professional Practice)** and **PR (Perception)**.

Short-term challenges /Broad Challenges

- Establishment of IQAC, Placement drive/student enrolment /higher education enrolment etc.
- If the institution has participated, further follow up action is must.
- Weak research ecosystem
- Low consultancy & sponsored projects
- Limited patents and IPR
- Poor documentation and data quality
- Data Management Challenges
- Low perception
- Limited academic visibility
- Weak alumni
- Poor institutional branding

Improvement Strategies:

- Problems facing in DCS .No liasioning between NIRF office and state Deptt.
- Parameters related data not sufficient to get good score
- Establish NIRF Cell (380 responses)
- IDP for 3/5 years
- Processed data after verification by core team of NIRF is not available , no certification process is there for the institutes which fill the DCS.

ACTION PLAN 6-12-Month Outcomes:

Focus on RP + PR first, strengthen FRU evidence, and institutionalize the system for sustainable improvement.

RP (Research)

Set up **College Research Cell** (Principal + 2 faculty + librarian + data operator)

- **Seed grants + targets:** minimum **department-wise publications** + conferences + projects
- Start **university/NIT/CSIR collaboration pipeline** (co-authoring = fast RP gain)

PR (Perception)

- Create **Employer/Industry Board** (10–20 members) → quarterly meets
- Launch **Placement + Higher Studies dashboard** (semester-wise, public, verified)
- **Alumni activation**: talks, internships, referrals, small donations + documentation

FRU (Resource utilisation)

- Ensure “no-zeros” in: **Library, lab equipment, ICT, maintenance**
- Annual micro-plan: spend → utilisation → evidence (bills + photos + usage logs)

THANK YOU
For your time and kind attention

Together towards Quality, Excellence & Global Competitiveness

(NAAC • NIRF • Vision India @ 2047)
