## Step 2: Fill the choices

- The available choices are displayed on dashboard by clicking Choice Filling OR click on Dashboard->Manage choice Filling & Locking. All choices will be automatically locked at 23:59 hrs of the last day of choice filling. Before that, you can modify, add and rearrange choices as many times as you want to. There is no need to lock the choices as the same will get auto locked on the last date of particular round of choice filling, only save the choices filled.

OR

- For filling up the choices, click on Available Choices and candidate can see all available choices of his eligible discipline. There will be many options of available choices for candidate. The candidate can sort/filter his choices according to institute name, type, program/course wise etc. If the candidate has applied for more than one discipline, choices of all disciplines as per his application and eligibility criteria will be shown. The candidate can give priority from all the available choices consisting of different disciplines as per his application. Based on his priority and merit order the allotment shall be done.
- **Since the admission is online and priority of choices is an important parameter in allotment of seat, all candidates are advised to fill choices and priority with utmost care and precision. It is to be noted, the allotment is done based on choices and priorities filled by candidate himself and merit/rank of the candidate.**
- The admission committee has no role in choice filling process by the candidate concerned. If any candidate fails to fill choices in the schedule time limit as declared by Admission committee, such candidate shall not be considered for seat allotment process in that particular round.
- By adding the choice, you can easily add the choice on right side of the table.
- The choices can be filtered, by **Type of Institute (Govt or Private), program/course wise and by Name of Institute.**
- Eligible candidate can fill all available eligible choices. There is no restriction in choice filling.

- You can add all choices and later you can arrange it as per your priority. The choices filled will be saved automatically in fix duration of time.
- However, it is advised to save the choices by clicking on **Save and Continue**
