**Subject: Introduction of Annual Medical Examination
for the Group 'A' officers of Central Civil
Services of age 40 years and above**

The Department has been considering introducing Annual Medical Examination for Group 'A' officers of the Department similar to the Annual Medical Check-up scheme introduced by DoPT for Group 'A' officers of Central Civil Services/Posts of and above the age of 40 years. This has also been one of the terms of reference for the current CHSS Review Committee.

After detailed deliberations, the Competent Authority in the Department has approved extending Annual Medical Examination to all Group 'A' Officers in DAE above the age of 50 years purely on voluntary basis. Accordingly, necessary Annual Medical Examination may be provided as and when approached by entitled Officers.
