Answer on the Ministry Department -- Atomic Energy(AE)

Capacity of nuclear power stations

Shri K.J. Alphons:

Will the PRIME MINISTER be pleased to state:

- (a) what is the total capacity of nuclear power stations in India;
- (b) how much more capacity is proposed to be added in the next ten years; and
- (c) in the light of the fact that wind and solar energy are available at less than Rs. 2.50 per unit, is it feasible to create new capacity in nuclear power plants?
