Sitting on the : 02/02/2022

Nuclear Power Capacity for Electricity Generation

Will the Prime Minister be pleased to state:

- (a) the details of present nuclear power capacity and its share in the total electricity generation in the country;
- (b) whether the Government proposes to increase the country's present nuclear power capacity of 6,780 MW to 22,480 MC by the year 2031 as a clear source of energy and if so, the details thereof;
- (c) whether the Government proposes to establish more nuclear power reactors in the country and if so, the details thereof, location-wise;
- (d) whether the Government has sanctioned and released any funds for the said purpose and if so, the details thereof; and
- (e) whether all the necessary formalities like land acquisition, clearance from concerned departments etc. have been completed and if so, the details thereof and if not, the time by which it is likely to be done?
