Ministry to which the day has been allotted : ATOMIC ENERGY

Sitting on the : 02/02/2022

Ruthenium - 106 Plaque

Will the Prime Minister be pleased to state:

- (a) whether BARC has developed Ruthenium -106 Plaque for treatment of eye cancer which has been successfully tested at AIIMS, Delhi;
- (b) if so, the details thereof;
- (c) whether the technology developed is at par with international standards and is cost effective too; and
- (d) whether the technology developed would be made available to all the dedicated eye hospitals in the country or whether it would remain confined to a few hospitals only?
