

PROVISIONALLY ADMITTED QUESTION FOR THE RAJYA SABHA

Starred /Unstarred Diary No.-- S296

The Question Will be put down for -- 03/02/2022

Answer on the Ministry Department -- Atomic Energy(AE)

Nuclear Medicines

Prof. Manoj Kumar Jha:

Will the PRIME MINISTER be pleased to state:

(a) whether Bhabha Atomic Research Centre (BARC) s design for PPP Research Reactor for Nuclear Medicine is ready for use;

(b) whether this technology has been shared with any private entity and the details thereof;

(c) whether any private entity has been given any exclusive right to process and market the isotopes produced in the research reactor and the details thereof; and

(d) whether this technology will be able to help India in reaching self-sufficiency in key radioisotopes used in medical and industrial applications and in what time frame?
