Enhancement of Nuclear Power Capacity

Will the Prime Minister be pleased to state:

- (a) whether the Government, in 2014, had set a target of tripling the then existing nuclear power capacity by 2024;
- (b) if so, the details thereof along with the additional nuclear power generated across the country since 2014;
- (c) the share of nuclear power in the total electricity generation of the country, as on date;
- (d) whether there is a gap between nuclear power capacity and generation in some of the Nuclear Plants in the country;
- (e) if so, the details thereof, and the reasons therefor along with the total capacity and generation of Nuclear Plants of the country, Nuclear Plant-wise; and
- (f) the other steps taken/being taken by the Government to increase the share of nuclear power in total electricity generation across the country?
