Progress on setting up of nuclear reactors

Smt. Mausam Noor:

Will the PRIME MINISTER be pleased to state:

(a) the progress of the much delayed deal of setting up of six nuclear reactors of 1650 MWs as a part of an umbrella nuclear deal signed with France in 2008;

(b) whether the issue of the techno-commercial offer came up during the delegation level talks with the French President;

(c) whether Government has pondered over its impact assessment; and

(d) if so, the details of the process or the findings of it?
