Total Nuclear Power Plants

Will the Prime Minister be pleased to state:

- (a) whether the country is self-reliant in the field of nuclear energy, if so, the details thereof and the total nuclear power being generated and the places where the nuclear power is being generated;
- (b) the major components of electricity generation from nuclear energy along with its availability in the country;
- (c) whether there is an agreement with the International Atomic Energy Agency to provide components to generate nuclear power; and
- (d) whether generating electricity from nuclear energy has any ill effects and if so, the steps being taken by the Government to prevent these ill effects?
