Nuclear Energy as Cleaner Energy

Will the Prime Minister be pleased to state:

(a) whether the Government proposes to augment nuclear power generation capacity in a big way to reduce dependence on fossil fuels and carbon emissions and if so, the details thereof;

(b) whether nuclear power has adverse impact on the natural and human environment though it may be cleaner energy as compared to coal as fuel and if so, the details thereof; and

(c) whether nuclear power is cheaper than thermal power and if so, the details of comparative generation cost per megawatt?
